There is a part of you that I shall keep
When time has softly hidden you from sight.

To Mr. Reeves,
who was responsible
for me becoming a
great engineer with
an interest in Physics

From the restless sea to the
precipitous sky,
From the turbulent Atlantic to
the peaceful Pacific,
A bit of land serves to unite
nations and peoples.

Cristobal High School serves to
unite students and faculty,
Who, like ships from many ports,
come from every point
of the compass.

Cristobal High School
Is the center of
our learning,
our spirit.
It is the center of our
UNITY

UNITY IN

Within our small hall

of learning

The ideals and experiences

of many men

and many times

Are united to produce

knowledge.

LEARNING

UNITY IN

On our great field

for sports

The fun and excitement

of games

and activities

Are united to produce

dedication.

SPIRIT

As each grain of sand is necessary
to make a beach,

As each drop of water unites to
form the vast ocean,

So is each individual of great
importance to mankind.

It takes individuals
to make a family.

It takes families
to make a community.

It takes communities
to make a state.

It takes states
to make a nation.

It takes nations
to make the world.

The realization then comes that
the individual
Is the important key to unity.

Standing, l. to r.: Dennis Maxwell, vice-president, Mr. Mazzoni, sponsor, Gary Collins, president. *Seated:* Judy McLain, secretary-treasurer.

The Freshman Class started out at the beginning of the school year with 144 students, but by the beginning of 1968 it had increased to 150 and became the second largest high school class.

In the first nine weeks of school three students in all the school made the "A" Honor Roll and two of them were freshmen: Lana Boone and Patricia Powell. Twenty one more freshmen made the "B" Honor Roll. Two other freshmen who have done very well are William Parker who won a prize in the essay contest for dental hygiene and Neil Patton who did well in track and who was the only freshman initiated into the "C" Club.

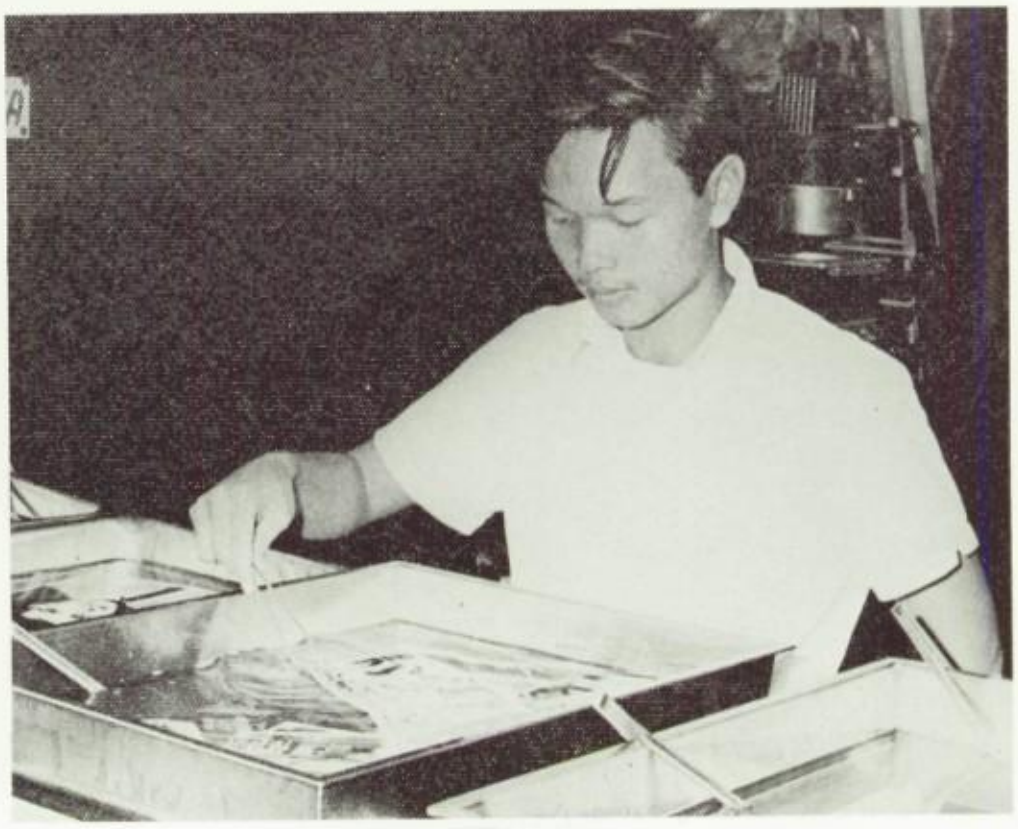
Forbidden territory to most students, room 246 is the place where the Caribbean is created each year. The sponsor of the yearbook is Miss Siebrands, who is also the journalism teacher. Journalism students learn the techniques used to prepare a book for publication and usually work on the yearbook. The staff of the 1968 Caribbean worked continuously to produce this yearbook. A layout must be planned, copy must be written and typed, headlines and spaces for pictures must be drawn and photographs must be identified for each page of the yearbook. The editors and staff breathed a sigh of relief as the final deadline was met in February and the dummy was mailed to the publishers.

Everybody tries to do his best and Sissy Hixon and Jimmy Butler achieved it.

Louise Hixon, Sue Holloway, and Ann Parker work on the senior section of the Caribbean.

Gary Robertson studies copy while Barbara Geddes types diligently.



Photographer David Lee put in many hours of work to complete this yearbook.

QUEEN CHI CHI REIGNS OVER JAMBOREE FESTIVITIES

To pep up Tiger spirit before the Jamboree, the traditional snake dance and bonfire were held the night before the game.

With a mighty roar, Cristobal's Tigers burst out of their den, tore through the giant paper Tiger stretched between the goal posts, and charged onto the field to the cheering of their fans. This marked the beginning of the 18th Annual Jamboree, held at Tiger Stadium on Friday, September 22, 1967.

Cristobal High School, Canal Zone College, and Balboa High School competed in this game to open the 1967 interscholastic football season.

There were ten candidates for Cristobal's Jamboree Queen and Denise Rainier was elected from these by the Senior Class. "Queen Denise" was presented to the school at a pep assembly held Friday afternoon. She was crowned between quarters by co-captains of the CHS football team, Monty Belanger and Norman Spector. The team presented Queen Denise with a miniature football on a chain inscribed with her name and the date.

Queen Janet Hunt, representing Balboa High School, and her sister, Jerrilyn Hunt, representing Canal Zone College, were also crowned at this time by their football teams.

The Tigers played well against their traditional enemies, the Balboa Bulldogs, and against the older, heavier, and more experienced College Green Devils. The game ended in a triumphant victory for the Tigers. The joyous ringing of the victory bell following the game signaled to Tiger fans that Cristobal had won.

Cheerleaders

Pep, energy, and true Tiger spirit is demonstrated throughout the year by the cheerleaders. From the time they are chosen, the girls exhibit willingness to help and work behind the scenes of many activities. This year the squad is composed of eight girls who practiced very hard to perfect their cheering techniques. Aside from this year's usual duties of a cheerleader, the girls had the difficult job of teaching the boy cheerleaders coordination for the Powder Puff game.

Girls' Drill Team

In their third year, the Girls' Drill Team perform during football games and pep rallies and in the Veterans' Day Parade. During the first part of the year, Peggy Hale commanded the Drill Team and during the last half of the year Joan Kurzdorfer succeeded her. Under the direction of Mrs. Harris and Mrs. Fattorosi the girls spent many hours practicing, both during the summer of 1967 and after school. Judy Oberholtzer, Executive Manager, assisted the sponsors. Although they wore the same uniforms, the girls exchanged their Garrison hats for gray berets. On days that they are scheduled to perform, the girls wear blue and gold dresses and matching jackets.

Majorettes

The majorettes added excitement and glamor to the half times of football games when they performed in glittering gold uniforms and heavy fringe. The uniform of their captain, Barbara Geddes, is identical to the others but it is a royal blue. Their day dresses are blue with each majorette's name in gold. The girls performed many new and difficult routines. The majorettes perform to the music of the CHS band and must work closely with band members.

SENIOR BUNNIES POWDER THE PUFF

The first Powder-Puff Football Game for C.H.S. was held November 22. The two days before the game were filled with peppy signs and cheers as each class, the Juniors and Seniors, tried to outdo each in spirit. The girls played flag football under the stadium. In the end, the Senior Bunnies defeated the Junior Great Danes by the score of 6-12.

Each football team elected their queen and court for their class. The Seniors chose Neil Maxwell as queen and Peter Baas and Dave Belt for the court. The Junior queen was Frank Martin and Warren Patton and Bobby Beall were in his court. The Senior court wore long blue and white formals and hairpieces while the Junior court wore gold and white mini-dresses and mod stockings.

The game activities started with a parade: a fire engine with each team's cheerleaders was followed by each classes' contribution to the parade including five majorettes. The queens were crowned during the half time. A lot of work and cooperation went into this S.A. sponsored game. It was organized and led by Judy Oberholtzer. The Seniors pep was under the direction of Rosie Butler and the Juniors followed Billie Marsh. The coaches for the football teams were Monty Belanger and Norm Spector for the Senior girls and Hap Brandenburg and Jay Benson for the Junior girls.

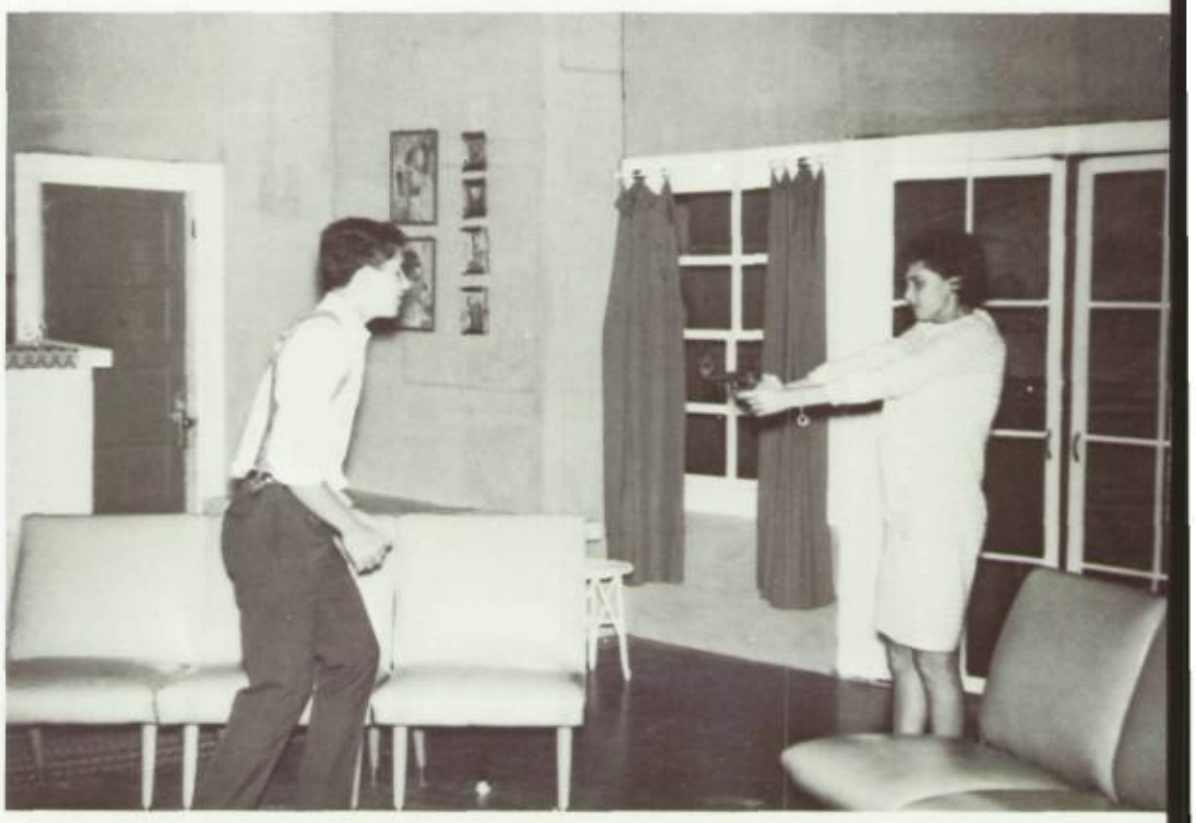
AND THEN THERE WERE NONE

After a long dry spell in the area of dramatics at CHS, the Thespian production, *AND THEN THERE WERE NONE*, was presented on November 17 and 18, 1967, in the auditorium.

The story told in this three act play by Agatha Christie is a mystery concerning ten people invited to an island as guests at a weekend party. The guests are each accused of murder and, one by one, they are killed by an unknown person as just payment for their crimes. A revised version of the nursery rhyme, "Ten Little Indians", is the clue to the carefully planned murders. At the climax of the play, the insane judge is discovered as the mysterious murderer and is in turn killed by the last two remaining characters. The play provided hair-raising suspense and many surprises for the audience.

Mrs. Freda Stohrer spent long hours at rehearsals as director of this play. The set for the play was constructed under the direction of Mr. Jesse Holloway. A seascape was painted by the Art Club for use as scenery in this play.



Barbara Bloomberg shoots as Stan Janasiewicz plunges forward.

INHERIT THE WIND

A live monkey and a hurdy gurdy are special props necessary for the Thespians' second play, *Inherit the Wind*, produced on March 15 and 16, 1968, under the direction of Mrs. Freda Stohrer.

A true incident, the famous "monkey trial" in Tennessee, was used by Jerome Lawrence and Robert E. Lee as the basis for this play. Cates, a young schoolteacher is on trial for teaching Darwin's theory of the descent of man from monkeys in a fervently religious town, Hillsboro. The case against Cates is taken by the Bible fanatic, Matthew Brady, a famous lawyer who has run for president three times and lost. Representing Cates is Henry Drummond, who is known to be a capable defender of the underdog. The townspeople of Hillsboro provide a tapestry on which the design of the play is woven by the principal characters.

Involved in this play is a tremendous cast of more than 40 people. A difficult staging problem was solved by transforming the auditorium stage into the town of Hillsboro and then creating an additional courtroom scene in the area usually occupied by the orchestra. During the courtroom scenes, the townspeople in the play sat as spectators in the first three rows in front of the audience, adding a new dimension to CHS theatrical productions.

HALL OF FAME ANNOUNCED AT WINTER WONDERLAND

The Senior class arranged for special weather on December 16, 1967, at the C.H.S. gym, in honor of the Senior Christmas Formal. To make a "Winter Wonderland", the class created snowflakes as decorations and big Christmas trees made of gayly wrapped Christmas packages.

Couples danced to music by The Lovechains until 9:30 p.m. when the dancing was interrupted by the announcement of the 1968 Hall of Fame. Mr. Richard Bock, as master of ceremonies, called each Hall of Fame winners and runners-up to the front of the gym. After this presentation, the dancing continued and gay Christmas spirit was enjoyed by all.

Cristobal High School Band gives a wonderful interpretation of "Gallant Men"

Each year, the Music Department presents a Christmas Festival. The band and Girls Glee Club performed, presenting different feelings and interpretations of their Christmas spirit.

The band gave a musical rendition of the Christmas Story. It was narrated by Barbara Bloomberg. Stan Janasiewicz played a trumpet solo.

The Glee Club made their first appearance in their new white dresses.

TRADEWIND STAFF WORKS TO ATTAIN COMPLETE NEWS COVERAGE

Complete with articles, advertisements, cartoons, and an occasional editorial, the Tradewind is produced every two weeks by a large, hardworking staff. This year the newspaper is printed by a new process, the Xerox machines, which make it necessary to send the newspaper to Balboa by train to be printed. When the papers return, they are distributed during homeroom period to Student Association members. To insure the interest of its readers, the articles are kept current and stimulating. The Tradewind is sponsored by Mrs. Patricia Campbell, a new teacher at CHS.

UNITED IN VICTORY

L. to r.: Mr. Richard Bock, Steve Gegg, Barbara Bloomberg, Alexander Chong, Keith Wrenn

The Math and Science Quiz Show is held annually on SCN television with contestants from both Cristobal and Balboa High Schools. This year is the 10th annual program and is sponsored by the Canal Zone Chapter of Professional Engineers.

The first individual contest was won by Phil Judson of CHS. Another CHS winner was Carol Agee. In 1966 Mark Troseth won second place in a very close contest. This year the Cristobal team brought victory to CHS. Mr. Bock, coach for the team, says that this is an important contest because it is an intellectual rather than a physical field.

The first eight programs were individual contests but this is the second year that the show has been by panels. The first two were under the supervision of Kenneth Venton, a former member of the Canal Zone College faculty. In the succeeding programs, the engineering groups have taken an increasingly active part. Mr. Bock has been the judge for every program except the first and ninth.

This year Barbara Bloomberg, Alexander Chong, and Steve Gegg were the panel from Cristobal High School. Keith Wrenn was the alternate and kept score at the match. These students were chosen by the math and science faculty because of their records of achievement in their fields. The prize was an elaborate slide rule with instructions in Japanese.

IN CHS BASKETBALL SEASON STARTS IN MARCH

Even though they won only one game in the season, the basketball team tried their best to overcome the three opposing teams, Balboa High School, Canal Zone College, and Schools Division Athletic Club. Home games provided full suspence for Tiger fans. The high scorer for the team was Eric Ernest with a total of 140 points. Mr. Peter Hearborn was their coach. The scoring follows:

The 1967 Tiger football team got off to a good start by winning the jamboree, and everyone looked forward to another winning season. The first game against Canal Zone College was an exciting one with both teams showing about the same strength. At one time the Tigers were in easy scoring distance only to be pushed back by a penalty. The game ended in a scoreless tie.

In the Balboa High School game, the Bulldogs took advantage of Tiger mistakes—one a fumble on which Balboa later scored, to outlast the fighting Tigers and hand them their first defeat in several years of the BHS-CHS rivalry. The following game was revenge time for Cristobal. Dominating Balboa they rolled up one touchdown and were on their way to another when they were forced to punt. The Bulldogs blocked the punt, picked up the ball and ran it to the five yard line, from where they scored in the following series of plays. The game seesawed back and forth and ended in a tie.

Canal Zone College put the coup de grace on the unlucky season by beating the Tigers 7-0. The Palm Bowl provided some relief for the Tigers when they teamed up with Balboa to beat College 7-0. The next year for the Tigers offers a little brighter outlook for there are some flashy new backs coming up who are to be watched.

GIRLS' BASKETBALL

Girls' Basketball teams, "A" League and "B" League were composed of the most outstanding basketball players chosen from the Intramural program. Nine freshman and sophomore girls composed "B" League and nine junior and senior girls made up the "A" League. The girls were chosen by Mrs. Harris and Mrs. Fattorosi on their ability to adapt to all phases of girls' basketball. They play interscholastically against BHS and CZC. Both teams placed second in the program. Ann Hirons was captain of the "B" League and Peggy Hale took the responsibility for "A" League. Both teams fought hard in each game. "A" League defeated CZC twice and lost to BHS twice. "B" League was defeated four times by BHS' "B" League.

TIGERS MET STRONG FOES IN INTERSCHOLASTIC TENNIS MATCHES

Harold Brandenburg

Although it was not a winning season, it was the beginning of a period of experience for players who had had very little previous competition in tennis. The season was augmented by a match played with the Margarita men's tennis club who gave the team valuable playing experience and advice. The season was climaxed by a tennis championship at Albrook Air Force base that was won by Balboa High School.

Among the future hopefuls for next season are Hap Brandenburg, Clay Dowell, David Robertson, Barry Greer, Anthony Kingery, and John Burza.

Harry Jones and Ronnie Travers, two strong potential winners of this year's team will be leaving for the United States.

The tennis team lost two matches to Rainbow City, one to the Canal Zone College, and one to Balboa High School.

TRACK STARS SHOW GREAT SPIRIT

The 1968 track team was strong, but lacked the depth needed to win meets. The Tigers, however, managed to win one meet against the Canal Zone College. The Tigers failed to take the annual Balboa Relay. The CHS athletes hope to rebuild the team and return to championship form by next year.

Hila Lyman

Although the Tigers put up a good fight, the boys' swimming team was overpowered by a much larger Balboa team. The girls surprised Balboa by almost pulling a win out of the hat several times. More than once, the last race turned out to be the decisive one. The Tigers are looking forward to next year's swimming season, when they will try to break Balboa's streak of interscholastic championships.

MR. MAEDL EXTENDS GREETINGS TO STUDENTS

Students:

May I take this opportunity to extend a warm greeting to all the students of Cristobal High School. The successful completion of the 1968 *Caribbean* marks the close of another school year. We can be proud of our achievements, not only in the academic field, but also in athletics, music, dramatics, and in the numerous club activities that help to make up a busy schedule for most students.

For seniors, graduation time is rapidly approaching. You no doubt have mixed feelings as Graduation Day draws near. Whereas on the one hand, you look forward eagerly to moving on to new, exciting experiences as you begin college or vocational training, on the other hand, you have nostalgic feelings about leaving familiar surroundings, school associations with the friends you have made, and close family ties, to launch out into something unknown. It is hoped this yearbook will prove to be a pleasant link to the past, and as you leaf through it from time to time in the years to come, it will bring back many happy memories of your Alma Mater.

To the underclassmen I extend the hope that this coming year will be a time of continued growth—physical, mental, and spiritual. May you look upon the opportunities that will be open to you as a challenge to be met with enthusiasm and to be your family, your school, and your community. If so, can we not look forward to an even more successful year?

(signed,) Carl F. Maedl

MR. CARL F. MAEDL, principal of Cristobal High School.

PRINCIPAL MAEDL WELL QUALIFIED FOR ENERGY AND TIME DEMANDING POSITION

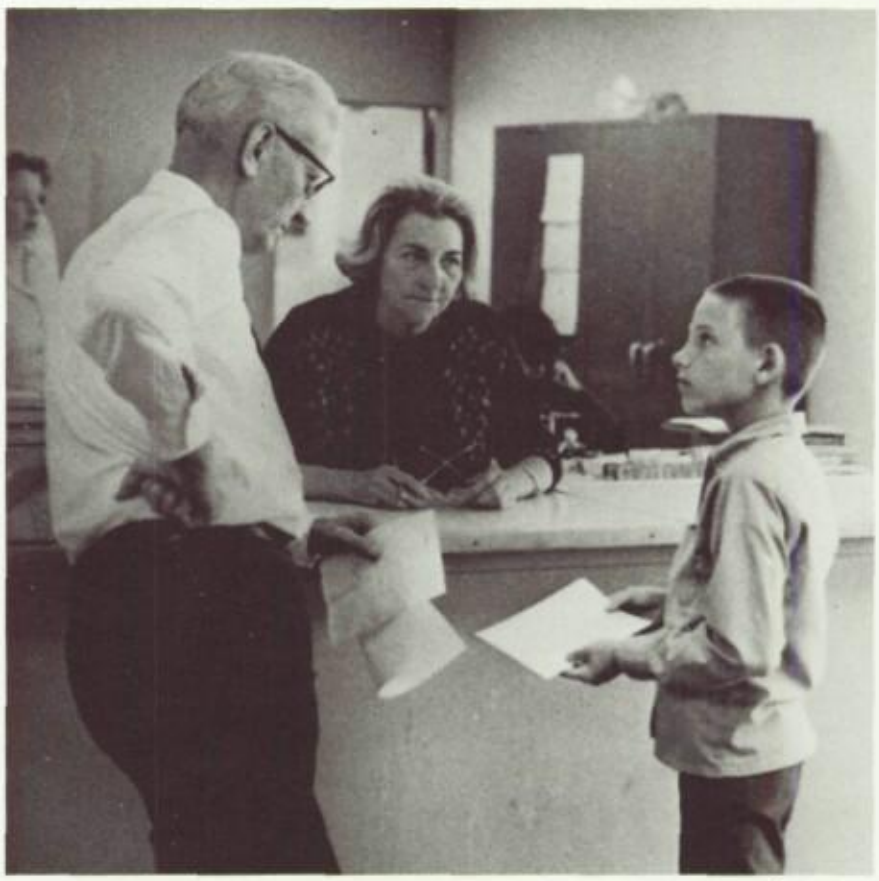
Mr. Maedl who has been on the CHS faculty staff for 30 years is completing his third year as principal.

His duties are many and varied.

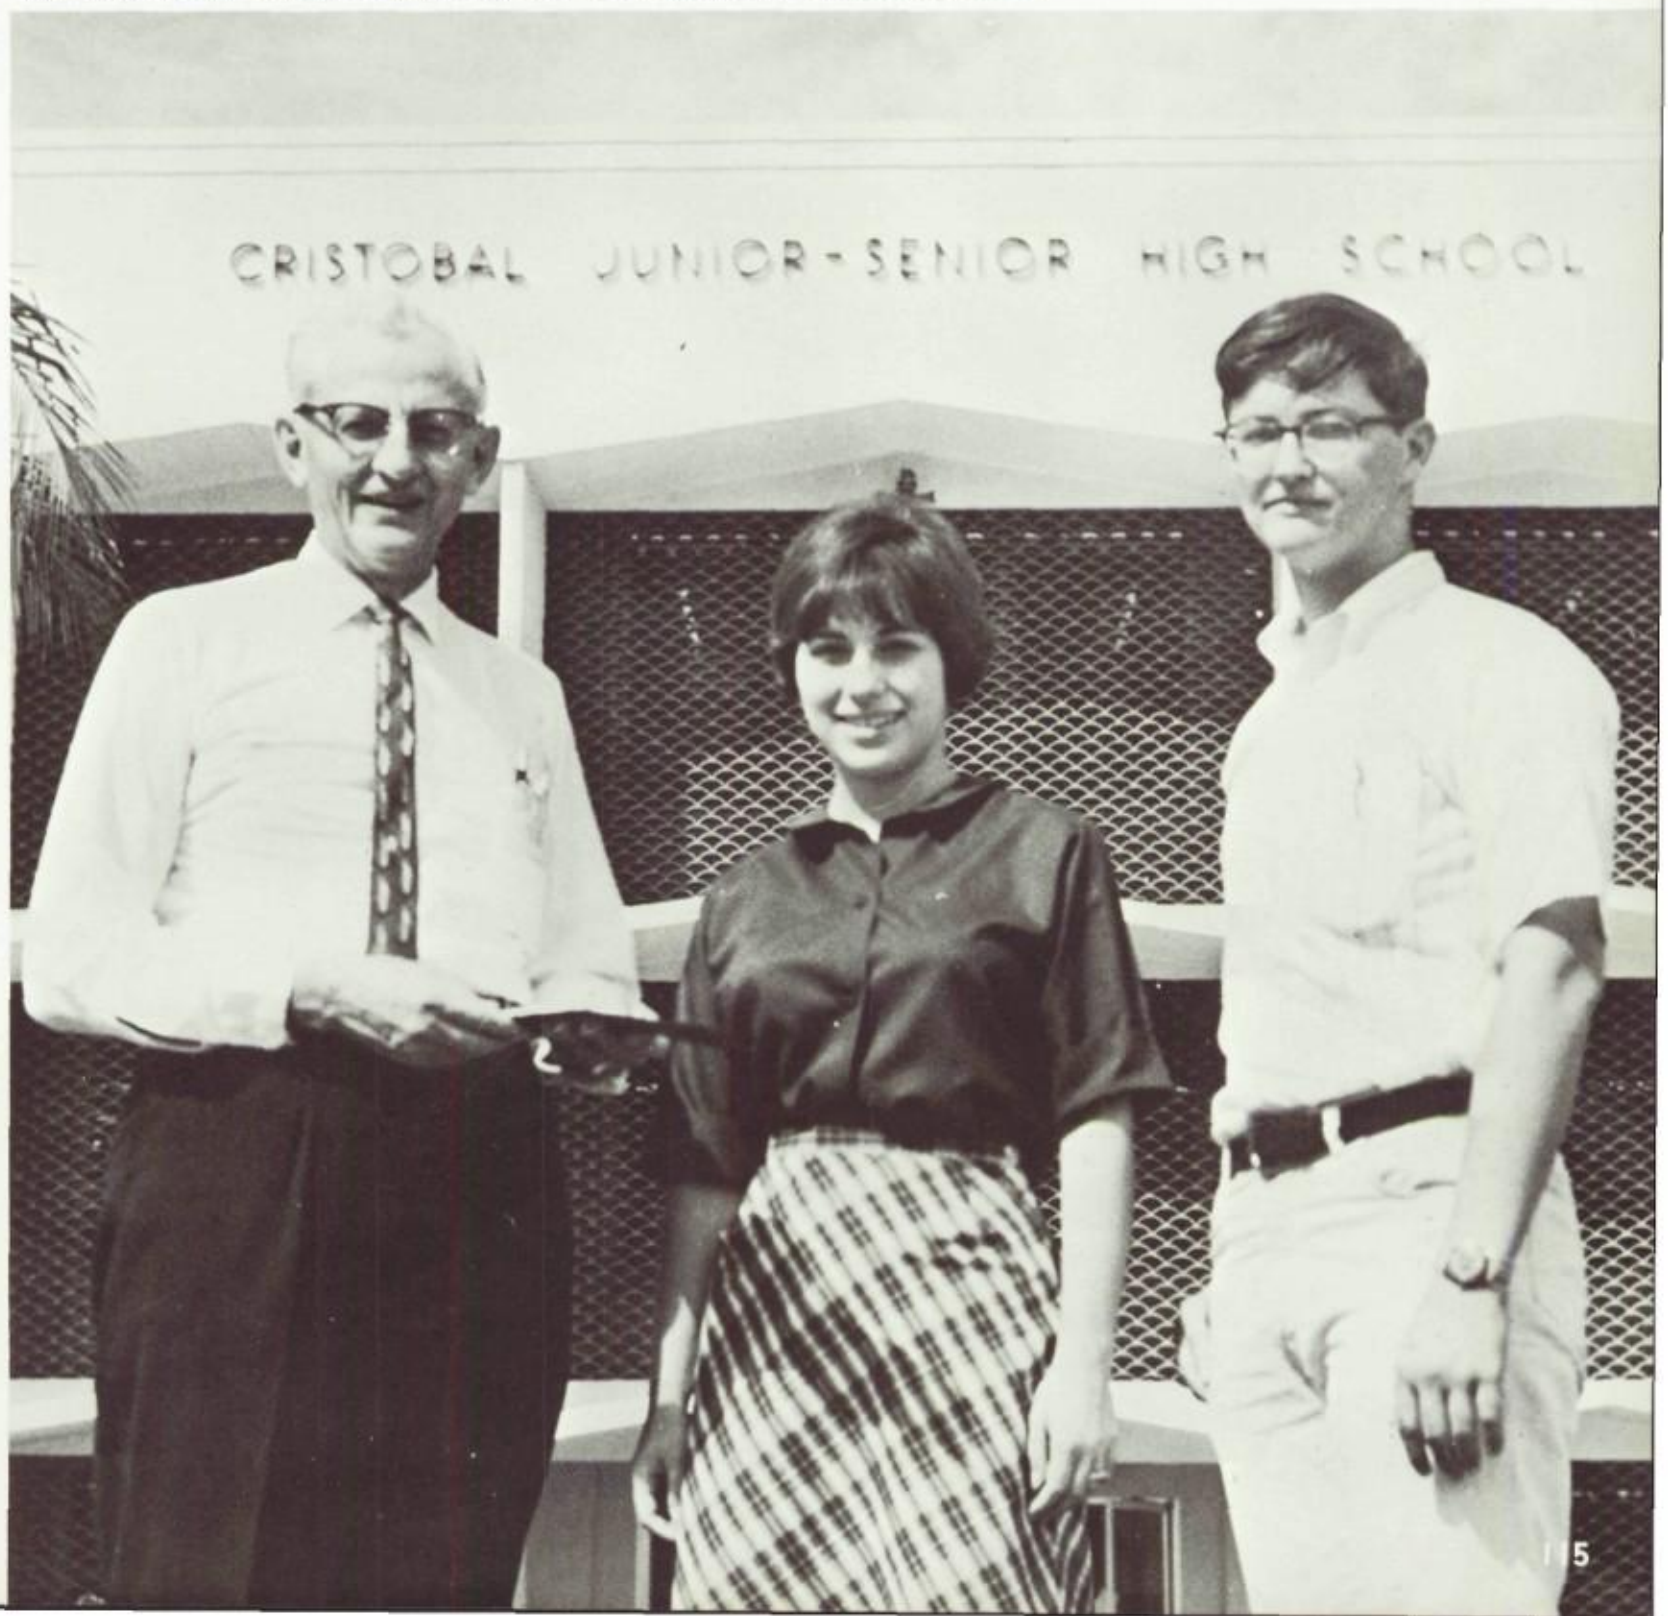
He has overall supervision of the school, including the instruction of students and student activities. He sets up class schedules, the lunch hour schedule, and all hallway schedules. Mr. Maedl heads the staff of forty nine teachers at CHS.

On weekends and in his spare time, Mr. Maedl enjoys golfing. He is also a coin collector and an avid reader. He is a member of the Civic Council and active in Union Church work in the YMCA.

He has two daughters, now both living in his home state of Minnesota. Mr. and Mrs. Maedl live in Coco Solo.



Mr. Maedl, always interested in the students, daily finds time in his busy schedule to help with problems or to stop and visit. Here he is in the office answering a junior high boy's question, and below the photographer asked Mr. Maedl, Sue Sawyer and Scott Spencer to pose for him when they were chatting in front of the building.



ASSISTANT PRINCIPAL HAS BUSY SCHEDULE

Mr. Pfau has been the Assistant Principal in CHS for three years. He came to the Canal Zone in 1953 and taught chemistry, physics and math. His duties are to assist the principal in his duties.

Mr. Pfau is an active worker in the Union church and a member of the choir. His special interests include music and photography.

MR. JAMES PFAU,
Assistant Principal

Because discipline students are referred to the Assistant Principal, he is often thought of as the "detention officer". Mr. Pfau spends a major part of his time counseling and working with students who have disciplinary problems, and his main objective is correcting students referred to him and helping them find a solution to their problem and then helping them to adjust to the school environment.

Here at left he is shown literally as well as figuratively pointing the way. Below he helps a student with late registration problems.

Mrs. Smith

PEGGY M. SMITH—Typing I, Bookkeeping, Shorthand

Oklahoma is the home state of Mrs. Smith, who is teaching Typing I, Bookkeeping and Shorthand in the Canal Zone for the first time this year. She is the faculty treasurer for the Student Association. Her interests are swimming and golf. Mrs. Smith lives with her husband and four children in Ft. Gulick.

STUDENTS PREPARE

Constant clicking of electric typewriters and adding machines throughout the day typifies the fascination of the business world. Typing I classes are taught the keyboard, margin alignment, simple tabulation and proper business letter form. Typing II students type manuscripts and receive practical experience by doing extra jobs for teachers and counselors. General business and bookkeeping students are instructed in the financial condition of a business organization and shorthand is provided for girls to prepare for the secretarial world.

Bookkeeping demands concentrated effort.

CREATIVE ARTS

EDWARD R. CARWITHEN—Band, Chorus, Orchestra

For two years, Mr. Carwithen has taught chorus and band in CHS. During that time he has been active in nearly every music activity. He previously taught in the University of Florida. He and his family live in Coco Solo.

EDWIN KOZIOL—Art I and II

Art is taught in CHS by Mr. Koziol, who has been in C.Z. schools four years. He works after school with students who are interested in art. He sponsors the Art Club.

His hobbies are golf, bowling, and bridge, and he is very interested in the study of politics but not in political participation. He is a member of the Elks and Lions.

PERSPECTIVES WITH FINE ARTS

This year there is an "A", a "B", and a high school band, a junior high chorus and a high school Girls' Glee Club. These musically minded students have performed at many public and school activities this year including a Christmas program, shows at the elementary schools and the Spring concert.

Students who like to paint, draw or work on crafts could take either Art I or Art II. An art exhibit was put up by the Art Club, containing much of the work produced by the art classes. A new window was built for exhibiting the crafts homework of the students.

PATRICIA D. CAMPBELL—English 8, 9

Mrs. Campbell substituted at CHS last year and this year is a full time English 8 and 9 teacher and advisor of the *Tradewind,* then senior high newspaper. Outside of school she can be found either sewing, reading, or oil painting.

LOUIS J. FATTOROSI—English III, IV

Mr. Fattorosi has taught in CHS for eleven years. He was originally from New Jersey, and taught in Jamesburg, N. J. Mr. Fattorosi lives in France Field with his wife and mother. He is the Junior class sponsor. He has a rare collection of old films which occupies much of his spare time.

RONALD D. JACOBS—English

This is Mr. Jacobs' first year at CHS; he came to the Canal Zone from Locust Grove, Oklahoma. He co-sponsors the Junior High Student Association. Mr. Jacobs, who also teaches Social Studies, lives in Coco Solo with his wife and two year old son.

ROBERT W. MacFARLAND—English II, III

Mr. MacFarland is from New York. He taught in Venezuela before starting his four years of teaching at CHS. He lives in Margarita and spends his time taking pictures, participating in sports, reading, and traveling. He is the sponsor of the "21" Club and works with the "Voice of Democracy" contest.

GRACE S. PFAU—Remedial Reading

Mrs. Pfau has taught at Canal Zone schools for thirteen years, both at CHS and Atlantic side elementary schools. She has done much to aid students to correct reading difficulties. Her outside interests include sewing, reading, and traveling.

ANN A. SIEBRANDS—English 7, 8

Miss Siebrands who teaches English and journalism at CHS has taught previously in her home state of South Dakota and Guam. Many outside activities interest her, but the favorite ones are bridge, theatre work and reading. Miss Siebrands is the yearbook advisor.

DOROTHY H. SMITH—English IV

Mrs. Smith, after 24 years in the Canal Zone, still talks about her native state, Ohio. This year she is chairman of the English Department. She claims her main interests are reading and cooking but everyone knows they are her seniors and all senior activities.

FREDA L. STOHRER—English I, II

Mrs. Stohrer has taught at CHS, English I and II, for four years. This year she is also teaching Speech. She has devoted much of her spare time to assisting and directing school plays and class assemblies. Mrs. Stohrer sponsors the National Thespians.

HARRIET I. YOUNG—English 7

Mrs. Young, in her eight years at CHS has taught several different grade levels of English, both junior and senior high. Her free time at home is devoted to gardening.

STUDENTS STRIVE TO IMPROVE ENGLISH SKILLS

An extensively wide field, the English department is the largest department at CHS. Every student is required to take four years of English. From simple subjects and predicates to speech class; from the beginning of time to the twentieth century, the English language is a never ceasing study of proper sentence form and literature.

Courses that are associated with English are journalism, the study of writing in newspaper form; remedial reading, an extra course made available to students who need to improve their reading ability, and speech, which gives the student experience and confidence in delivering speeches.

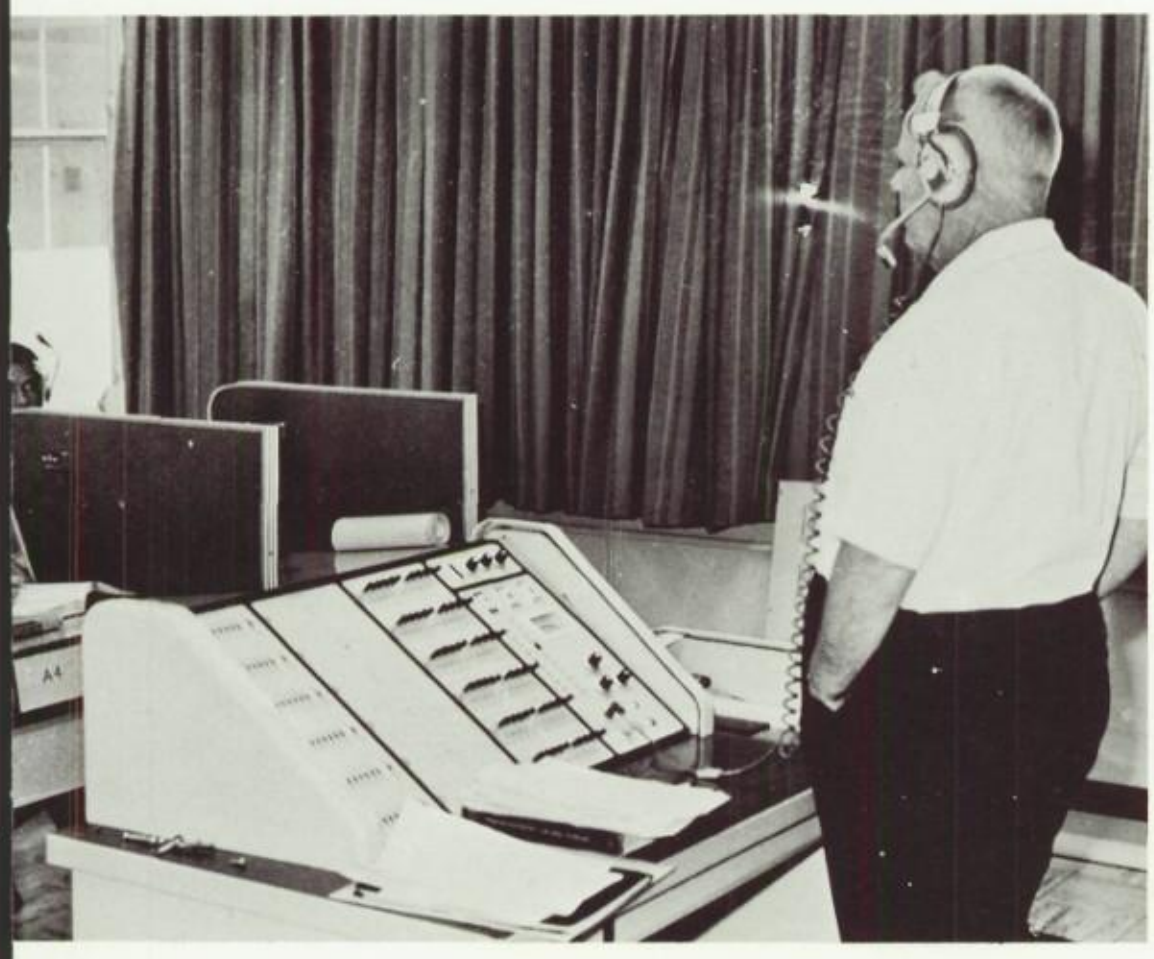
NEW A-LM SYSTEM IN USE

Mr. Stearns monitors students as they practice.



Students of CHS have a wide range of languages which they may take. They may take three or four years of Spanish, three years of French, three years of Russian and two years of Latin. Third and fourth years Spanish classes and Russian used a new technique of learning this year. The system is called audio-lingual or A-LM. Students using the new system spend several days listening to and repeating drills in the Language Lab. The chapter examination is comprised of a listening section with completion questions, a writing section which uses the skills acquired to complete sentences, a reading section with completion answers and a paragraph written on the specified topic. All material used in the text is a form of the basic story and memorized sentences.

Standing: Mr. Gregg, department head. *Front row, l. to r.:* Mr. Gansen, Mr. Berger, Mrs. Klasovsky, substituting for Mrs. Condon Mr. Bailey, and Mr. McCullough.

MANY SOCIAL SCIENCE CLASSES OFFERED

A wide variety of social sciences are open to the students of C.H.S. Starting in Junior High, they receive a background of Social Studies. Then, if they decide to major, they may take geography in the 9th grade, world history in 10th, U.S. history, which is required, in 11th, and American Institutions and economics in 12th.

In keeping with the modernization and computerizing in C.H.S., Mr. Gansen sends his answer sheets to the other side to be scored. For this reason, special computer score sheets, like those used for various standarized tests are used.

In order to keep his students up to date on current events, Mr. Gregg, head of the Social Studies Department, has them read the *Senior Scholastic*. In addition to reading the magazine, students are assigned a story to condense for an oral report.

MRS. ELIZABETH C. McNAUGHTON—Home Economics

Coming to the Canal Zone from Massachusetts, where she previously taught, Mrs. McNaughton has spent two years teaching Home Ec. at CHS. Her leisure time is occupied by sewing, reading and water skiing. She is the sponsor of the Nurses' Aides Club.

Woman's work is never done.

Wendy Flores believes in comfort while washing dishes.

Diane Soyster says, "Happiness is no more dirty dishes."

HOMEMAKERS OF THE DOMESTIC

The basics of sewing, meal planning, and food preparation were stressed in the Home Economics Department this year.

The first semester was devoted to sewing: aprons were made by the Home Ec. I students while skirts, blouses, and dresses were made by the Home Ec. II students. All classes made and decorated lovely net wreaths and felt stockings at Christmas time.

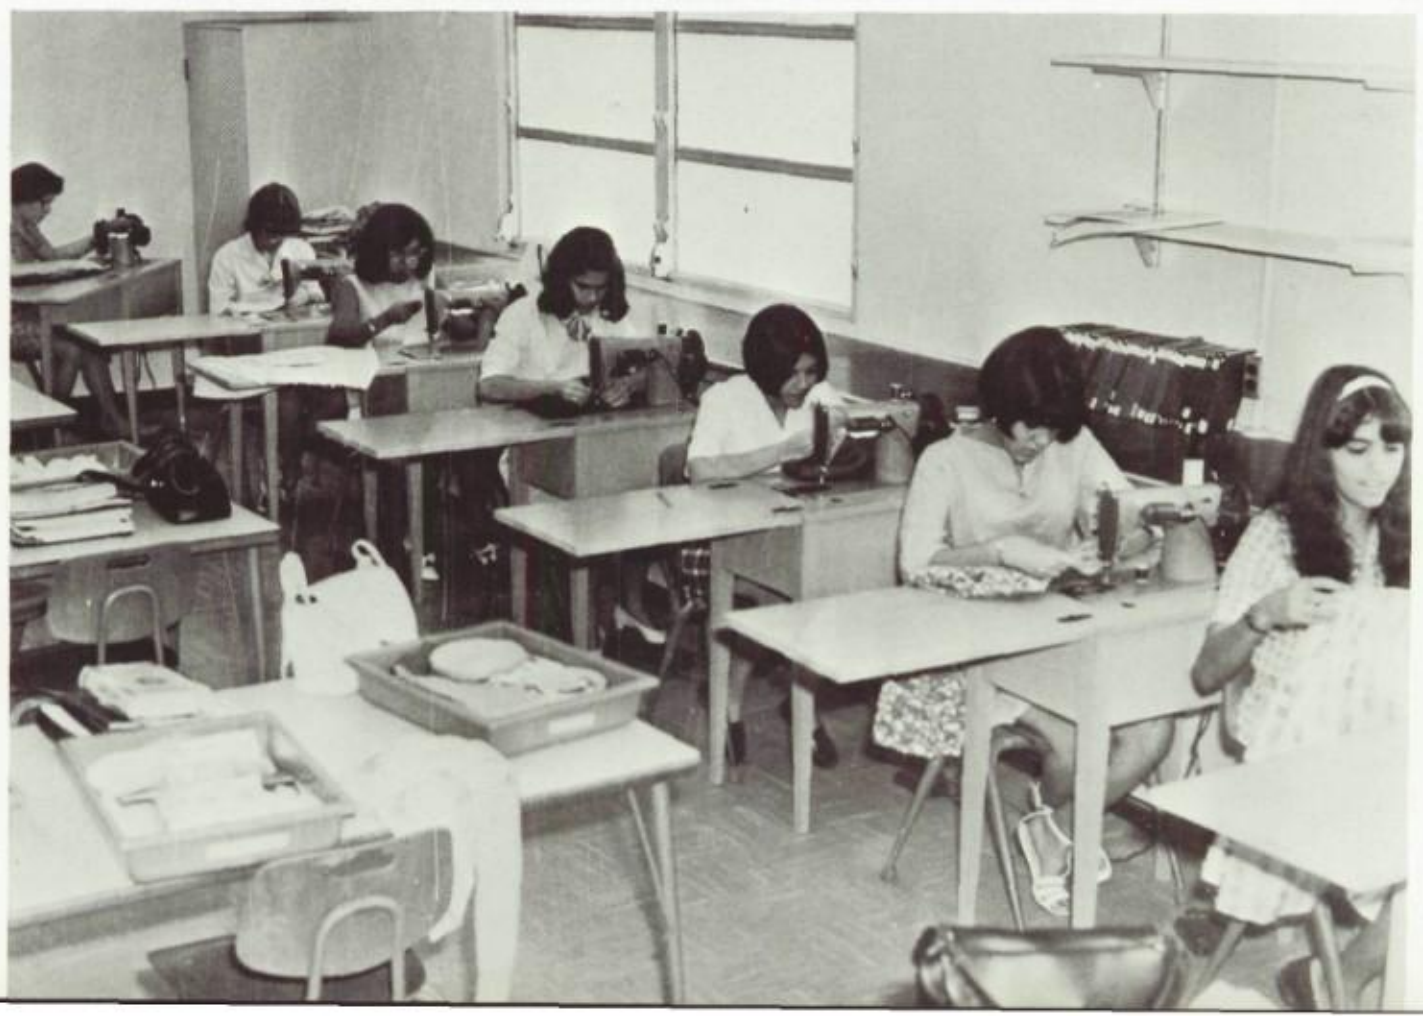
The Home Ec. I students learned how to make hot cocoa, oven toast, biscuits and simple baking recipes during the second semester. The older students baked pizzas and fancy desserts and prepared casseroles for a quick meal. Each kitchen, in every class, invited a special teacher to a luncheon, as a guest of that kitchen, for the main project of the second semester.

Mrs. McNaughton briefs Sylvia Vamprine in the art of rolling and cutting biscuit dough.

This is not a laughing matter.

FUTURE LEARN SKILLS

Skirts and blouses were the sewing projects for the first semester.



INDUSTRIAL ARTS

Mr. J. C. Holloway

JESSE C. HOLLOWAY—Mechanical Drawing

Two years ago Mr. Holloway came to the Canal Zone from Saudi Arabia. Since he has been at CHS, he has taught mechanical drawing, general shop, and woodworking. In his spare time Mr. Holloway enjoys fishing, traveling, and woodcarving.

INDUSTRIAL ARTS VOCATIONAL

Industrial Arts students learn and develop skills that can be put to use in future years in a countless number of ways.

The proper usage of specialized tools and shop equipment are two very important steps of General Shop. The drawing and reading of plans was emphasized in Mechanical Drawing. Boys who were interested, could further develop their skills in either woodworking or metal fabrication and for those who enjoy tinkering with car engines and such, auto shop was offered.

Plywood waste baskets and items of colored plastics, to name a few, were made by the General Shop students. In metal craft, the boys made some very fine hammers, bowls, treasure chests, leaf decorations and also learned the art of welding. In auto shop, naturally the boys learned the mechanics of cars, which has a value of its own.

MATHEMATICS

Our mathematics program at CHS extends the continuous program of instruction that began in kindergarten. The emphasis is upon mathematical structures learned in an atmosphere of active inquiry. Our plan is to meet the educational and vocational objectives of the individual student. On the knowledge they gain, they will be able to go on in higher courses to prepare for their professions.

Courses offered are Introduction to Analysis, Calculus, Geometry, Algebra I and II, and General Math.

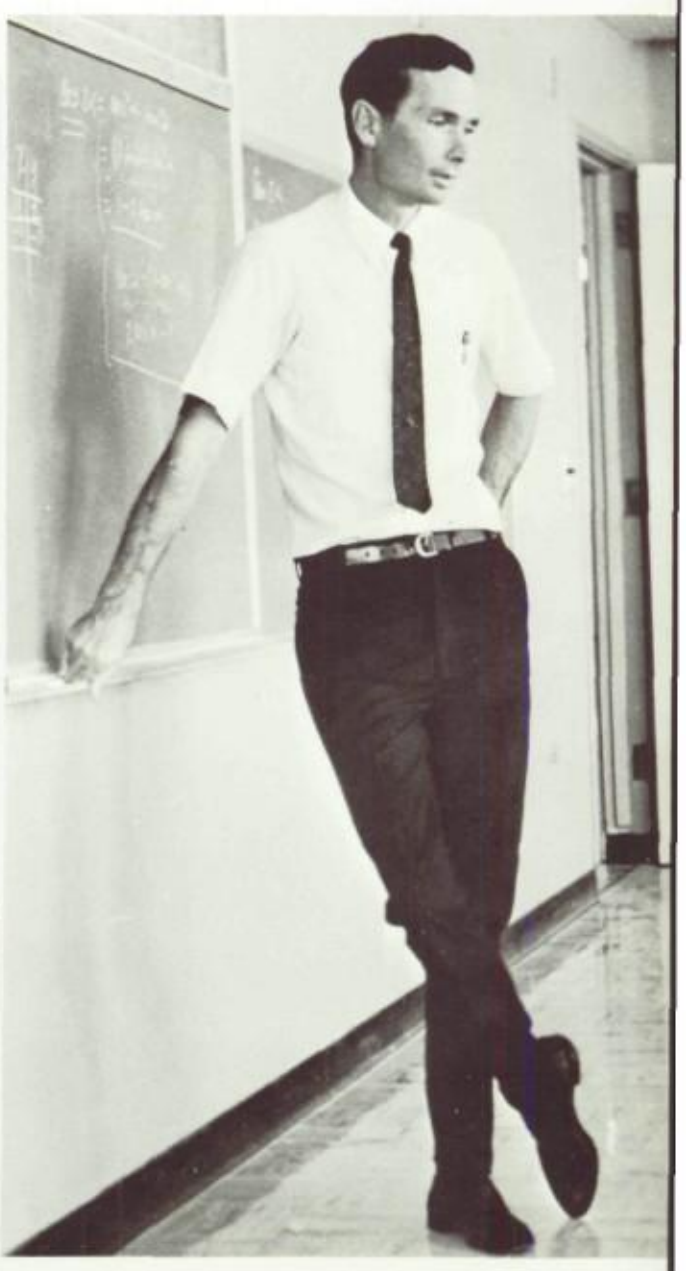
Mr. Mazzoni has taught in the Canal Zone schools for fourteen years. Pennsylvania is his home state and he now lives in France Field. His interests are music, travelling and football. In C.H.S., he is the freshman class sponsor.

LEO J. ROBITAILLE

This is Mr. Robitaille's first year of teaching at C.H.S. He previously taught in Stratford, Connecticut. He is Junior High Student Association sponsor. For relaxation and leisure time occupation Mr. Robitaille enjoys golf and swimming.

"Yes, just watch as I put it on the board for you ... it's simple," Mr. Bock tells his calculus class.



PHYSICAL EDUCATION

Mrs. Harris

JOAN F. HARRIS—Girls Junior High Gym

Before coming to CHS, Mrs. Harris taught at the Ft. Kobbe Elementary School and at Balboa High School, where she graduated several years ago. She is an all-sports fan but tennis receives most of her spare time attention. Mrs. Harris sponsors the Girls' Drill Team, and both basketball and tennis intramurals.

JUNE C. FATTOROSI—Girls' Senior High Gym

Mrs. Fattorosi, who has been at CHS since 1956, teaches senior high gym. Between her many activities of GAA, Girls' Drill Team, Cheerleaders, and Sports Day, she likes to go beach hiking and dog walking.

Mrs. Fattorosi

CHS offers a wide, well balanced physical fitness program for both boys and girls. Gym was required five days a week, for the first time, for 10, 11, and 12 grade boys and 9 and 12 grade girls. All other students took gym either two or three days a week.

In January, the new modern equipped boys' dressing room was completed and by February the girls were able to move into the vacant boys' dressing room.

The girls' sports program is made up of basketball, volleyball, swimming, hockey, tennis and softball. Drill precision and physical fitness were stressed to develop coordination.

The boys participated in various sports such as swimming, wrestling, soccer, speed ball, track, football, baseball, tennis and basketball. Gymnastics and physical fitness were also offered.

Desha Dade takes a test in gym.

Students assume various positions while taking written test.

Mr. Dedeau

LOUIS DEDEAUX—Boys' Junior High Gym

For 16 years, Mr. Dedeaux has taught at various schools on either side of the isthmus. At CHS he coaches the Junior High boys in all sports. He also assists with several after school activities. During his moments of relaxation he prefers to either golf or fish. Mr. Dedeaux lives in Gatun with his wife and young son.

DOUGLAS B. LITTON—Boys' Senior High Gym

Coach Litton has just completed his sixth year at CHS as head coach for the football and baseball teams. He also manages all intramural sports during after school hours. Coach Litton lives in Coco Solo with his wife and family.

Mr. Palumbo, Jr.'s science classes practice measuring masses with their balances. Facing camera, *front row:* Donna Camoesas. *Back row, l. to r.:* Mark Kredell, Sharon Golden, Fred Cole.

Faculty and facilities available to students in the science field include: biology, chemistry, physics, general physical science and physical survey. Students from freshmen to seniors have an interest in science fostered in them by the newer textbooks and teaching methods. Students who are truly devoted to science, perhaps majoring in it, and keep a "B" average, may join the Torrid Zone Wizards, the science club of CHS.

Whether a 9th grader or a senior, science students learn to answer their questions by experimentation. Some classes put emphasis on keeping up with the latest science news in "Current Science", while others spend more time watching films pertaining to related subjects.

Mr. Hieronymus

Mrs. Mason

Mr. Norman

Mr. L. T. Palumbo

PAUL J. HIERONYMUS—Chemistry, 7th Grade Science

This is Mr. Hieronymus' first year on the Canal Zone. He came from Oklahoma, and has taught in Oklahoma City and American Samoa. His interests include golf and insect collecting. His family's residence is in Coco Solo. In CHS, Mr. Hieronymus is the assistant junior sponsor and supervises the S.A. treasurer.

EMMA LOUISE MASON—7th Grade Science, 8th Grade Math

Mrs. Mason came from New Jersey and has worked for four years as a full-time teacher and three and a half years as a substitute. Knitting and other needle-work occupy her spare time. Mrs. Mason is sponsor of the National Junior Honor Society.

JAMES D. NORMAN—Biology, Oceanography

Mr. Norman has taught in Germany, France, Oregon and the USA, and has been teaching in CHS for seven years. This year he sponsors the Torrid Zone Wizards. Mr. Norman spends the school season in Margarita, but his summers are spent in Mercer, Wisconsin.

LUKE T. PALUMBO—Physical Science, 9th Grade English

Florida is Mr. Palumbo's home state. He has spent two years teaching in CHS and previously taught in Missouri, and Florida. He and his family live in Coco Solo. Mr. Palumbo spends his free time skin diving.

Mr. L. C. Palumbo

Mr. Reeves

LUKE C. PALUMBO—7th and 8th Grade Science

Senior and Junior high students alike know Mr. Palumbo as "Coach." His hobbies are plastics, insect collecting, and all sports. He has taught in CHS for 25 years. Prior to that, he taught in his home state of Missouri.

CHARLES T. REEVES—Physics, Physical Science, General Math

Mr. Reeves sponsors the Safety Committee of CHS this year. This is his 12th year of teaching at CHS. Arizona is his home state, and he taught there before coming to CHS. Photography, boating and the history of science are his main interests.

Mr. Hieronymus' Chemistry students, Gladys Barrows, Magari Shuford and Enrique Rosania, learn to dry a gas.

THE CADRE
L. to r.: SSGT R. Underkofler, 2LT L. Sheets, and SFC H. Ortiz.

The Reserve Officers Training Corps of Cristobal High School, consisting of Companies, E, F, and Drill Team, was first established in September, 1950. Each company is composed of two platoons with three squads to a platoon.

The Corps is headed by the "Cadre" or Regular Army personnel who are assigned to be responsible for the administration, training, and discipline of the cadets. The student leadership is commanded by the Battalion staff: Battalion Commander, Battalion Executive Officer, Adjutant, Training Officer, Intelligence Officer, Supply Officer, Public Information Officer, and Sponsor.

The purpose of ROTC is to encourage habits of orderliness and precision, to instill discipline and thereby respect for authority and to give the cadet elementary military training which will be of benefit to him, and of value to the nation if and when he becomes a member of the Armed Forces.

Competition is held within the Battalion to determine the "Best all around Company" during each nine week grading period. The company is rewarded at a review held once each nine weeks with a streamer and also, at this time, individual cadets are awarded honors for any outstanding distinctions made during the nine weeks.

The highlights of the year for the ROTC are the Brigade Review, held during the first semester, and Field Night (Field Night being the more important), which is held during the second semester. Both reviews are in competition with the Balboa High School ROTC.

At the close of each school year, the ROTC holds its annual formal dance, the Awards Ball, where numerous awards are presented to those cadets who have excelled during the year. Sponsors for the following year are selected and announced following the award presentations.

GUIDANCE

Top: Miss Anderson
Center: Mr. Campbell
Bottom: Mr. Mowery

ADAMARY ANDERSON—Girls' Counselor

For thirty one years, Miss Anderson has taught in Canal Zone schools. She previously taught in Jacksonville, Florida, her home state. Miss Anderson lives in France Field where she enjoys spending her time cooking, stamp collecting, and collecting coins.

FOSTER J. CAMPBELL—Boys' Counselor

Mr. Campbell, who came to CHS two years ago from his home state of Colorado, teaches guidance to ninth grade students, in addition to being the boys' counselor, and sponsor of the Athletic Council. His hobbies are reading, golf, and mosaics.

ROBERT L. MOWERY—Boys' Counselor, Attendance Counselor

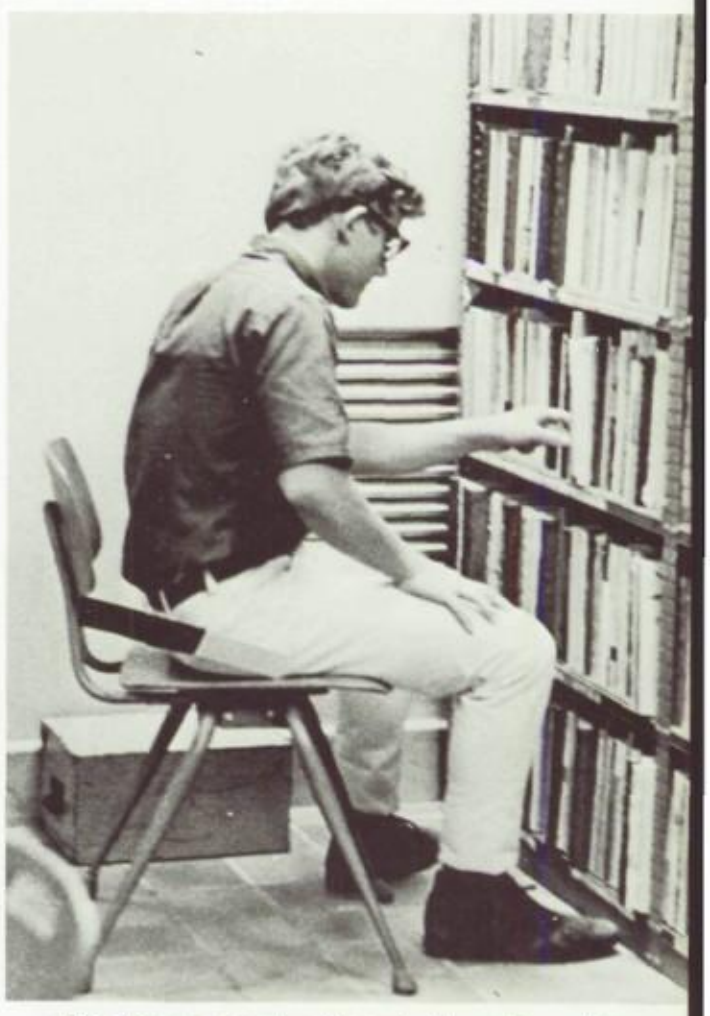
It does not take long to discover that Indiana is the home state of Mr. Mowery, who has been at CHS for four years. He lives in Coco Solo with his wife and three children. His special interest is photography and he sponsors the Camera Club.

Are you uncertain of your future or simply next year's schedule and what subjects you should take? The Guidance counselors would be happy to advise you on what subjects you require for your majors and minors, or which college would suit your needs. The Guidance center has several hundred catalogs on nearly every college or university in the United States, including Puerto Rico and the Canal Zone.

The three counselors also administer several external exams during the year such as the PSAT, SAT, and ACT. Not only students, but also interested persons outside of school, may take these tests for the purpose of preparing themselves for college and future vocations.

In addition to these dtuies, Mr. Mowery, with the aid of student assistants, checks each day's absences to be recorded by the IBM computers.

Mr. Mowery



Don Bensen searches through the wide variety of college catalogs.

CLINIC

Mrs. Comer

ANNA R. COMER—Nurse
Mrs. Comer has been working in the Canal Zone since May, 1967. She worked previously, for eight years, in Richmond, Virginia, her home state. Mrs. Comer lives in Margarita.

Eye tests are a standard procedure in the clinic.

Mrs. Belcher assists the nurse in the clinic.

The clinic is always available for students in case of need. This room is also the frequent center of eye, ear, or dental examinations and the physicals necessary for sports activities.

LIBRARY

Mr. Griffin

ALLEN D. GRIFFIN—Librarian
Texas is the home state of Mr. Griffin who has taught in Baumholder, Germany and Saginaw, Texas. This is his first year in the Canal Zone. He is sponsor of the Library Club. Mr. Griffin lives in Margarita and of course spends his spare time reading.

The Library

The student body at Cristobal High School is very fortunate to have a well equipped library for their use.

There are two libraries in CHS: the school library and the public library. The student body has two collections at their disposal. The school library is open throughout the day for student research and the public library remains open until 8:00 p.m. each evening for student and community use.

The school library has added close to five hundred books to their collection during the school year. The library is in the process of establishing a record and film-strip collection. Of course, this will be mainly for faculty use, but the students will reap the rewards in the classrooms when the records and filmstrips are used.

Quiet atmosphere of the library enables students to study.

OFFICE STAFF

JOANNE G. ALLEN

For 8 years, Mrs. Allen has worked in the Canal Zone, three of these years at CHS. She is from the state of South Dakota but worked previously in Kansas. Her hobbies are sewing and singing with the Sweet Adelines. Mrs. Allen lives in Coco Solo with her husband and six children.

JACINTA E. GRIFFITHS

Miss Griffiths has lived in the Canal Zone all her life but has been working here for only 1½ years. Her free time is devoted to swimming and playing the organ. She lives in Rainbow City with her mother.

MARIAN B. TAYLOR

The Canal Zone is also the home of Mrs. Taylor who has worked at both Balboa High School and Cristobal High School. She has previously worked for the American Red Cross. She lives in Margarita with her mother and enjoys reading, golf, and playing bridge.

Seated, l. to r.: Mrs. Allen, Mrs. Taylor, and Miss Griffiths.

Our office staff provides a constant hum of busyness. Their job is to perform all secretarial duties plus keep all school records, receive telephone calls, type up tests for teachers and be a general information center. In addition, they find time to instruct student office workers how to operate office machines and perform other secretarial duties.

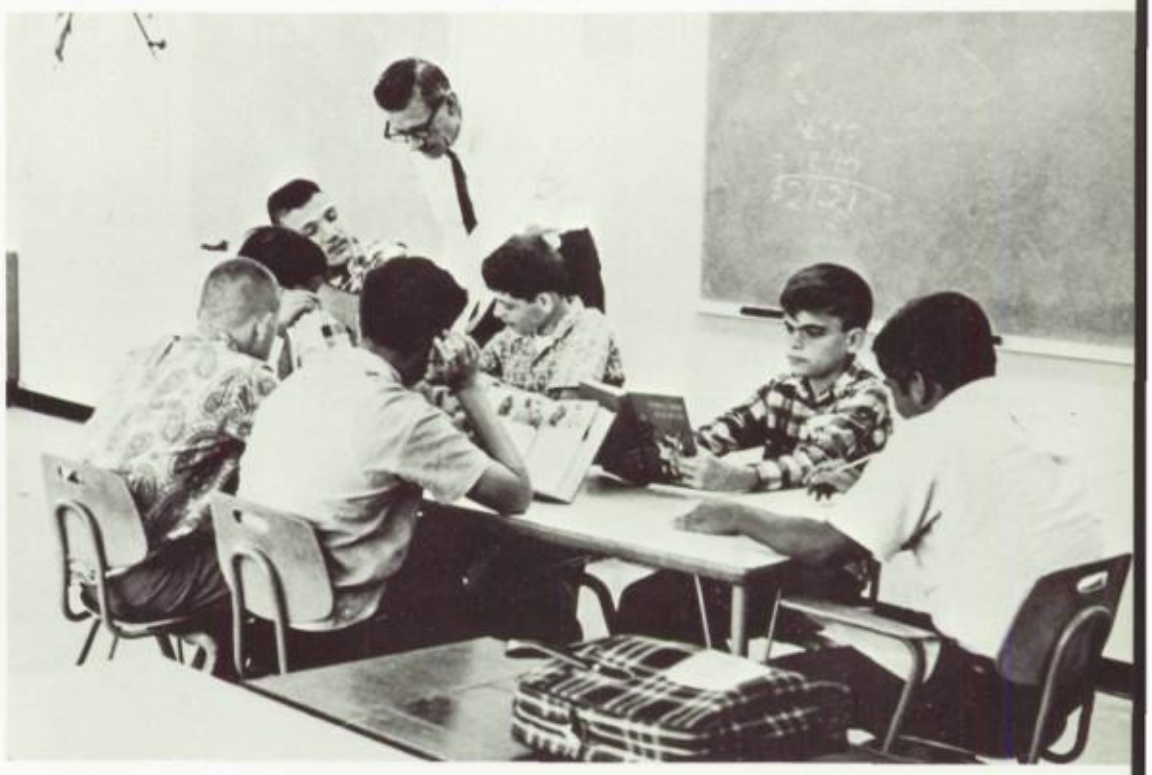
SPECIAL EDUCATION

Mr. Sharick

EARL C. SHARICK—Special Education

Mr. Sharick came from Illinois twelve years ago, and taught in Cristobal and Coco Solo Elementary Schools before coming to CHS. He had originally taught in Illinois and Colorado. Mr. Sharick has a married son and daughter and lives in Coco Solo. His interests are swimming, camping, and fishing.

The Special Education Classes, begun at CHS in 1960, are designed to give special students added help in certain scholastic courses according to their abilities. Many of the students also attend other creative classes such as art and music, depending on their interests. Mr. Sharick's students are taught many crafts such as weaving baskets, the imbedding of insects in plastics, and sewing.



Mr. Sharick instructs his students in specialized reading.

SEVENTH HOUR CLASSES

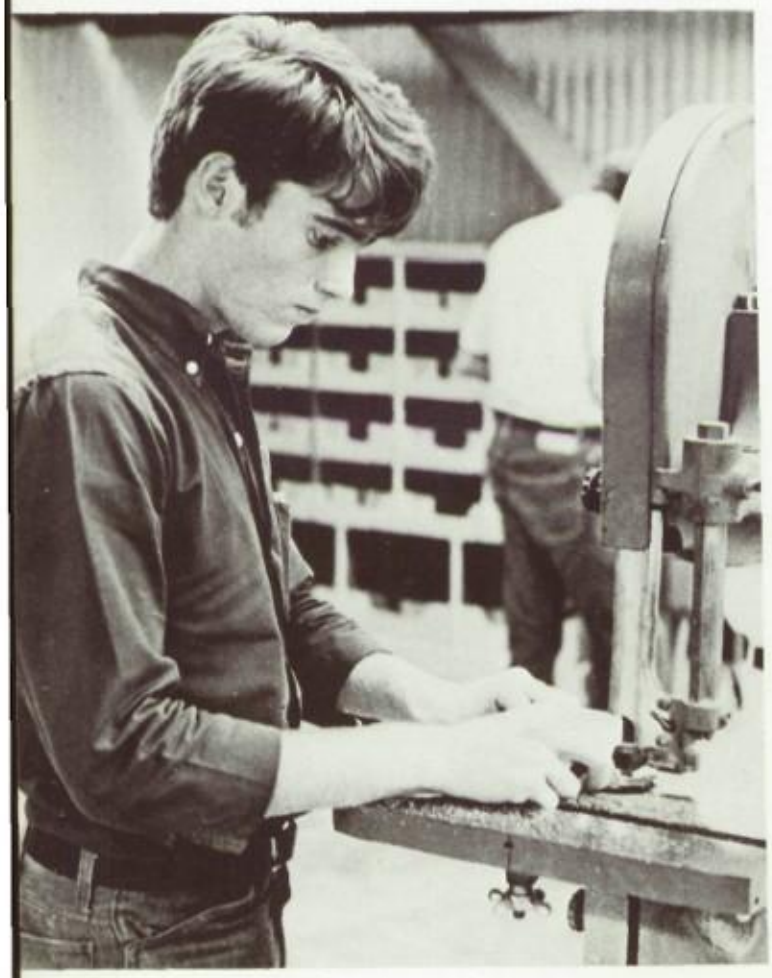
Above: Harry Carey, Fred DeJesus, Annie Benero, George Egger, determine their field of vision.



Above: Randy Smith in plastics shop.

Because of a change in school hours this year, it was possible for students to take extra classes for extra credit after the regular school day. Four such classes were offered in CHS this year.

DRIVERS' TRAINING is offered to students who want to get their driver's license when they are 17 years old. It is a one-semester course. Mr. Reeves is the teacher.

OCEANOGRAPHY is being taught for the first time the second semester. The course is being taught by Mr. Norman.

PLASTICS SHOP was offered for the first time as a seventh hour course during the second semester. It was a solid course worth one credit on completion. Under the supervision of Mr. Holloway, students learned various techniques of working with plastics. While learning, they made many useful and ornamental objects.

RUSSIAN is another optional course which is being taught for the third time this year. This is the second year the audio lingual method is being used. Students may take a total of three years of Russian.

Teacher of the class is Mr. Stearns who this year was given a letter of commendation by the Cristobal-Margarita-Brazos Heights Civic Council praising the outstanding program he is offering in the Russian language.

'C' CLUB UPHOLDS SCHOOL TRADITIONS

L. to r.: Luis Gorden, Jane Gabriel, Keith Wrenn David Lee.

Membership in the "C" Club is limited to boys who have earned a letter in any one of Cristobal's major sports.

Backbone of school athletics, the "C" Club promotes school spirit, upholds school traditions, and promotes the highest standards of good sportsmanship.

The "C" Club and GAA traditionally sponsor the annual Homecoming Dance. This year, "C" Club members sold sodas during the football games.

Monty Belanger practices one of the after school sports.

GAA CO-SPONSORS HOMECOMING

Girls Athletic Association, basis for all girls' intramural sports, is composed of girls who have participated in two All-Star teams or girls who are among the top in the point system. The point system is a system by which the girls receive a varied number of points for attending intramural games, co-captaining a first or second place team, and being a member of a first or second place team.

GAA traditionally co-sponsors the Homecoming dance with "C" Club. This year members refereed at basketball and other intramural games.

Front row, l. to r.: Judy Oberholtzer, Pat Waggoner, Sue Sawyer, Mrs. Stohrer. *Back row:* Will Graham, Doug Jones.

The Thespian Society, Troupe 217, is the honor society for CHS students who participate in the production of plays. To become a member, a student must have worked on at least two plays. He also must have obtained a certain number of points as specified by the National Headquarters. The points are given by the director of the production, according to how much assistance the candidate gave.

The director of this organization is Mrs. Stohrer. She directed the two plays which were presented to the public this year, *And Then There Were None* and *Inherit the Wind*. The president is Doug Jones, the vice-president is Judy Oberholtzer, and the secretary-treasurer is Clifford Nieves. The Thespians started out in '67-'68 with only five members, but through all the active interest in dramatics, several new members were initiated after the plays.

Hal Wade, Stan Janasiewicz, and Doug McLain control the lighting system during a rehearsal.

Stan Janasiewicz is sworn in by Joe Gattis. Will Graham as judge and Craig Firth as a newspaper reporter look on at a play rehearsal for *Inherit the Wind.*

Gilda Cedeno teaches Mrs. Gegg's French class.

The Future Teachers of America, commonly known as the Caribe Club, is an organization for students who might be interested in becoming teachers. Members are initiated at the Initiation Banquet, the first club event of the year. Those sophomores who have a B average after the first nine-week period are invited to join.

During National Education Week, a display was set up at the Coco Solo Commissary. Invitations were personally sent to each student's parents to visit CHS on Visitation Day.

The Caribe Club also sponsored Teacher's Appreciation Day by presenting each teacher with an apple and a poem. The lounges were supplied throughout the day, with cookies made by members.

The most important day for the Club is Student Teachers' Day. For the morning, club members teach their favorite subjects. Each student teacher consults with the teacher whose classes they are to teach and then prepare a lesson plan.

Two art shows, sponsored by the Art Club were the highlights of the Art Club's 1967-1968 year. The first was held in December, with Greg Montano winning a first and second place ribbon and Cheryl Pinto taking a second place.

The Art Club, sponsored by Mr. Edwin Koziol, is a group formed to further the experience of students interested in art. Meetings are held every Tuesday and Thursday after school for the purpose of working on art projects.

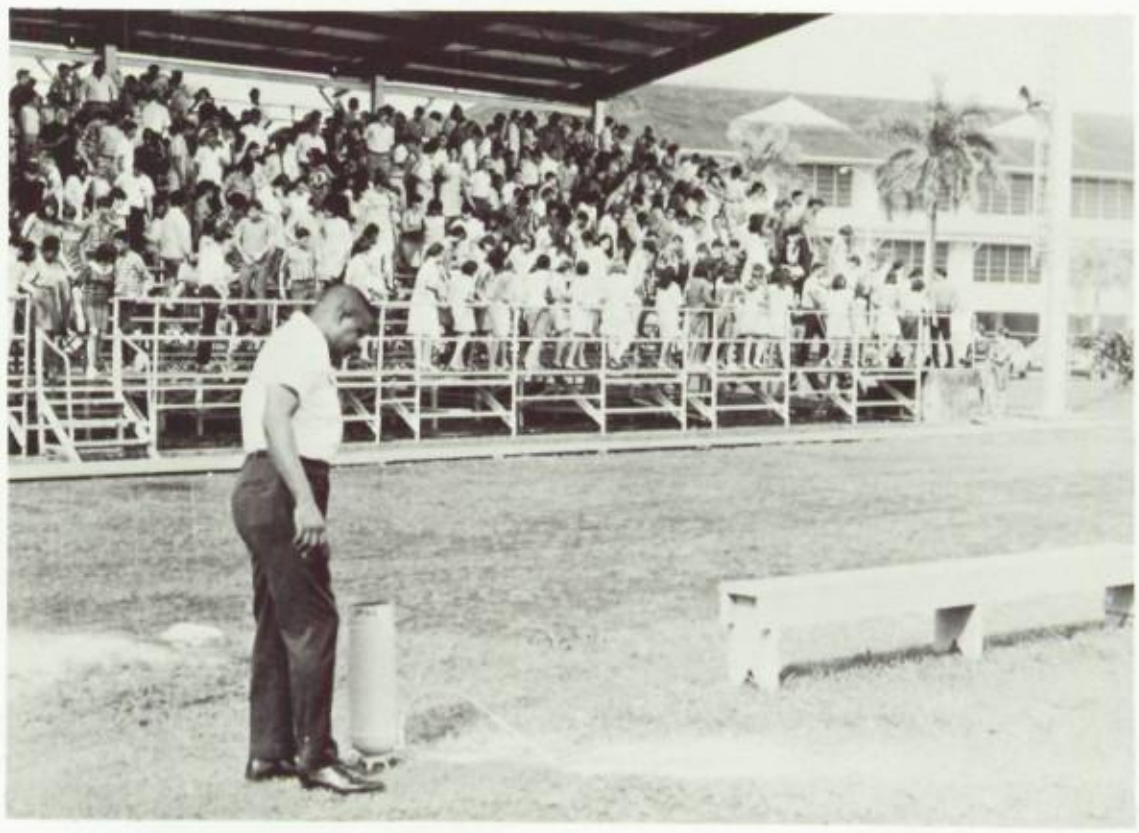
The members of the club provide posters for many club and school functions.

Front row, l. to r.: Joan McCullough, Beth Lewis, Denise Rainier, Renee Ballou. *Back row, l. to r.:* Mr. Reeves, Hal Wade, Alex Chong, Chris Cox, Ernie Faris, Harry Blevins.

SAFETY CLUB WORKS TO MAKE SCHOOL SAFE

The Safety Club has an important role in protecting the students and faculty of C.H.S. from safety hazards. Members are selected by Mr. Reeves. The club is a member of the National Safety Council.

Members make inspections of the school and cooperate with the Fire Department during fire drills. Periodically, the Fire Inspector makes inspection tours with one of the club members.



21 CLUB STRIVES TO IMPROVE

Keith Wrenn, president, and Mr. MacFarland

Promoting study and understanding of Latin American countries is the 21 Club's main objective. The 21 Club consists of 21 boys. Seven are seniors; six juniors; four sophomores; and two freshmen.

Members are voted in for the current school year at the end of the preceding school year. To be eligible for membership, one must have maintained a "B" average.

Each Christmas members annually collect canned food and gifts for the Paulists' orphanage in Colon, and the Old Folk's Home. At this time the 21 Club sponsors a dance at which the entrance fee is one can of food.

Each year the members each prepares a speech on one of the Latin American countries. Three prizes are awarded. Four members of Rotary International act as judges. The three speeches that have earned the highest number of points are awarded the prizes. Last year, Steve Gegg took first place.

Mr. Robert MacFarland sponsors the 21 Club.

The Spanish Club is a comparatively new organization at CHS. This year, an even newer part, the Sociedad Honoraria Hispanica was added. This society is composed of outstanding Spanish students who are selected by the faculty members of the language department. The Spanish Club's annual banquet was held at the Sasso's home.

During the Carnival season, the club sponsored a comparsa. They were dressed as cocineros, or cooks.

The Language Lab Club is an organization of lab assistants who know how to handle the complex machine that is the language lab. To be a member, a person must have taken at least one language other than English and Spanish and had a passing grade.

This year, the club was divided into two sections. One section was composed of active members who were able to contribute their spare time in helping Mr. Stearns, the club sponsor, run the lab. The other members were reserve and, although qualified lab assistants, were unable to use their spare time to help in the lab. Reserve members had every privilege of the active membership except for the election of officers. Only active members could hold offices in the club and vote.

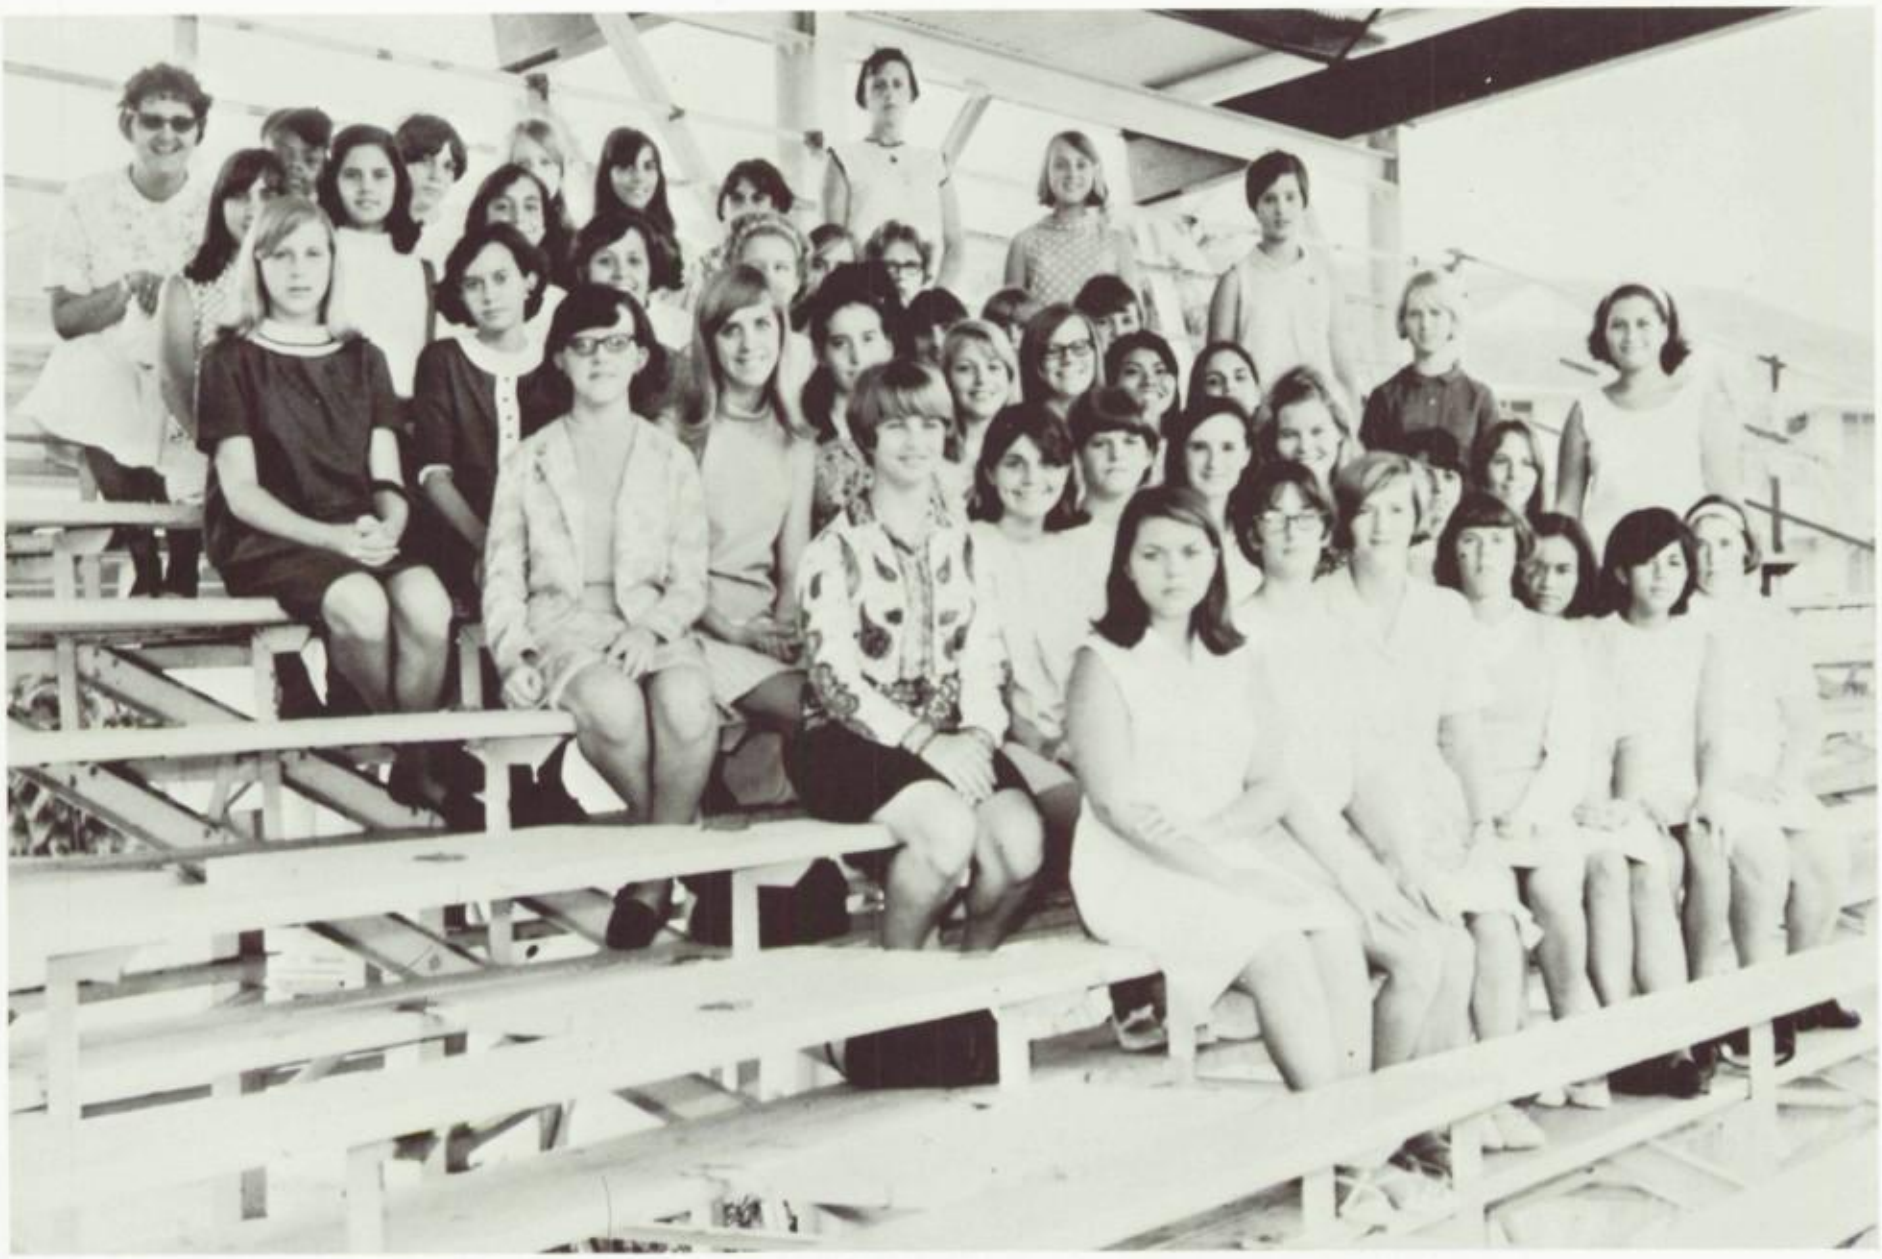
PINK GIRLS AND FUTURE NURSES

The Pink Girls are composed of girls who volunteer to work at the Coco Solo Hospital during the summer. These girls work during the morning hours, three days a week. They experience many unforgettable moments, learning techniques of patient care. They help the regular nurses comfort patients, make beds, pass out food trays, and run errands. One prerequisite for becoming a Pink Girl is to be a member of the Future Nurses Club.



Front row, l. to r.: Phyllis Golden, Donna Barger, Brenda Morrison, Carol Colgate, Maria Arocho, Carmen Reyes, Linda Newman, Marcela Hilzinger. *Second row, l. to r.:* Sylvia Stiebritz, Lena Barrows, Debbie Garner, Betty Reddin, Sharon Walker, Jamie Meeker. *Third row, l. to r.:* Cecilia Alberga, Mary Huffman, Diane Hauke, Linda Huson, Jo Lynn Jones, Marvel Inglesias, Zoila Carrasco. *Fourth row, l. to r.:* Joyce Larrabee, Kathy De Raps, Stephanie Illies, Jan Bjorneby, Bridget Howard, Marjorie Coffin, and Rosie Butler. *Fifth row:* Judy McLain, Sonia Collazo Agnes Colon, Jeanette Cox, Nancy Huson, Patricia Newman, Evelyne Legrand. *Back row, l. to r.:* Kathy Gegg, La Brenda Wilson, Sally McLean, Shelley Lund, Nilda Ayala, Sonia Rivers, and Mrs. McNaughton.

PURSUE NURSING CAREERS

The Future Nurses Club is an organization for girls who are interested in studying nursing or even becoming a doctor. The club is sponsored by Mrs. Pfau and Miss Russell.

Each year, the girls prepare numerous gifts for the children of Los Negros Island in Gatun Lake. Before Christmas, a group of Future Nurses go to the island in a boat supplied by the Canal Zone Police and go out among the children giving them food, clothes, and toys.

Front row, l. to r.: Linda Newman, Joe Gattis, Lydia Santiago, Janet Smith, Caryn Watson. *Back row:* Mr. Griffin, Cynthia Moose, Pat Newman, Marcela Hilzinger.

LIBRARY CLUB MEMBERS HELP STUDENTS USE LIBRARY

Janet Smith works at the library counter.

The Library Club is composed of students who work in the library at lunchtime and during study hall hours helping Mr. Griffin, the club sponsor, keep the library in good order. They are a familiar sight at the library counter, helping students check out books. Club members also arrange the bulletin board in the school library and set up displays in the showcase.

NATIONAL HONOR SOCIETY OFFICERS—*L. to r.:* Richard Wainio, treasurer; Alexander Chong, president; Marcela Hilzinger, secretary; and Keith Wrenn, vice president.

Sue Sawyer in the initiation ceremony.

Scholarship, leadership, character, and service are the four criteria for membership in the National Honor Society. Members are chosen by a committee made up of faculty members.

Students who are eligible for membership in NHS must have at least a 3.00 grade point average, and must have shown exceptional leadership, character, and service to the school.

At the fall initiation assembly, planned and carried out by members initiated the previous spring, one senior girl, Susan Sawyer, was tapped.

A banquet was held in late December for old members returning from college. College experiences were compared and discussed.

Eleven new members were initiated at an impressive ceremony held in early February. Four seniors, Rosie Butler, Peggy Hale, David Lee, and Mary Webster, and seven juniors were admitted; Barbara Bradley, Gilda Cedeno, Albert Chong, Judy Fong, Mari Hanly, Daniel Lee, and Brenda Richardson.

A new system was used in announcing the new members. Dispensing with the traditional tapping ceremony, the names of the new members were announced on the morning bulletin. The next week, the members were introduced at an assembly and were initiated.

TO ACHIEVE UNITY IN CHS

The S.A. is the governing organization for the student body of CHS. It sponsors all the school clubs and activities, providing them with funds collected from the students as S.A. dues. Seniors and juniors pay $9.50 for their S.A. tickets or $4.00 without a yearbook. Sophomores and freshmen pay $7.50 or $3.00 without a yearbook. This ticket entitles each member admission to dances, inter-scholastic games and the 1968 Caribbean.

At the beginning of each year, the S.A. traditionally organizes the Orientation Day Assembly, for new students entering CHS, the Opening Day Assembly which is held on the first day of school, and the Get Acquainted Dance usually held on the first weekend of school.

The S.A. provides a special train to the Pacific side for inter-scholastic games. For the Atlantic side games, it pays for the officials and the programs which are needed. This year the S.A. store sold many items. It was well supplied with Tiger sweatshirts, hats, pennants, and bookcovers. Cowbells, Tiger seals, Canal Zone seals, pillows, shakers, and megaphones were also sold. During the second semester, the store sold pens and blue and gold pencils. The S.A. also sponsors any new projects that may come up because of a student body desire, such as the Powder Puff Football Game this year.

The election of new officers is held at the end of each school year. A nominating committee composed of the freshman, sophomore, and junior class officers and the eighth grade officers of the Junior High Student Association meet with members of the faculty to nominate three candidates for each office. The offices and qualifications are: president, who is to be a present member of the junior class, vice-president, who is to be a present member of the sophomore class, secretary, who can be a member of any class except eighth grade, and treasurer, who is to be a present member of the junior or sophomore class. Campaign week, which is to be held no later than five weeks before the end of school is then organized. Posters are put up and pep rallies put on by each candidate and his manager to win support. A campaign assembly is held in which each candidate presents his objectives as an officer to the student body. The campaign manager introduces his candidate, telling of his qualifications for the office. After the candidate's speech, he may choose to have a skit put on by some of his supporters. Then an organized election is held with certain specifications as given in the Constitution. The elected officers are inaugurated at the Opening Day Assembly. If during their term of office they do not maintain a C average, they are considered automatically resigned. As soon as possible after the beginning of the school year, homeroom representatives and alternates are chosen. They are to make up the actual governing body of the school. Representatives are assigned duty as line watchers in the cafeteria throughout the year. Alternates also compose the Athletic Council, which is in charge of admission to activities.

The S.A. is sponsored by Mr. Gansen.

FASHION CONSCIOUS CRISTOBAL STUDENTS

Clothing fashions are always topics of interest to Tigers. This year's apparel is exceptionally eye-catching. The skirt lengths range from the knee to mid-thigh; from straight to A-line to culottes. Bloomer and pant dresser were big with the girls—considered by some as safer. The boys' pants ranged from plain to plaids to paisley. The fashions here are only a few of the many different types seen at Cristobal.

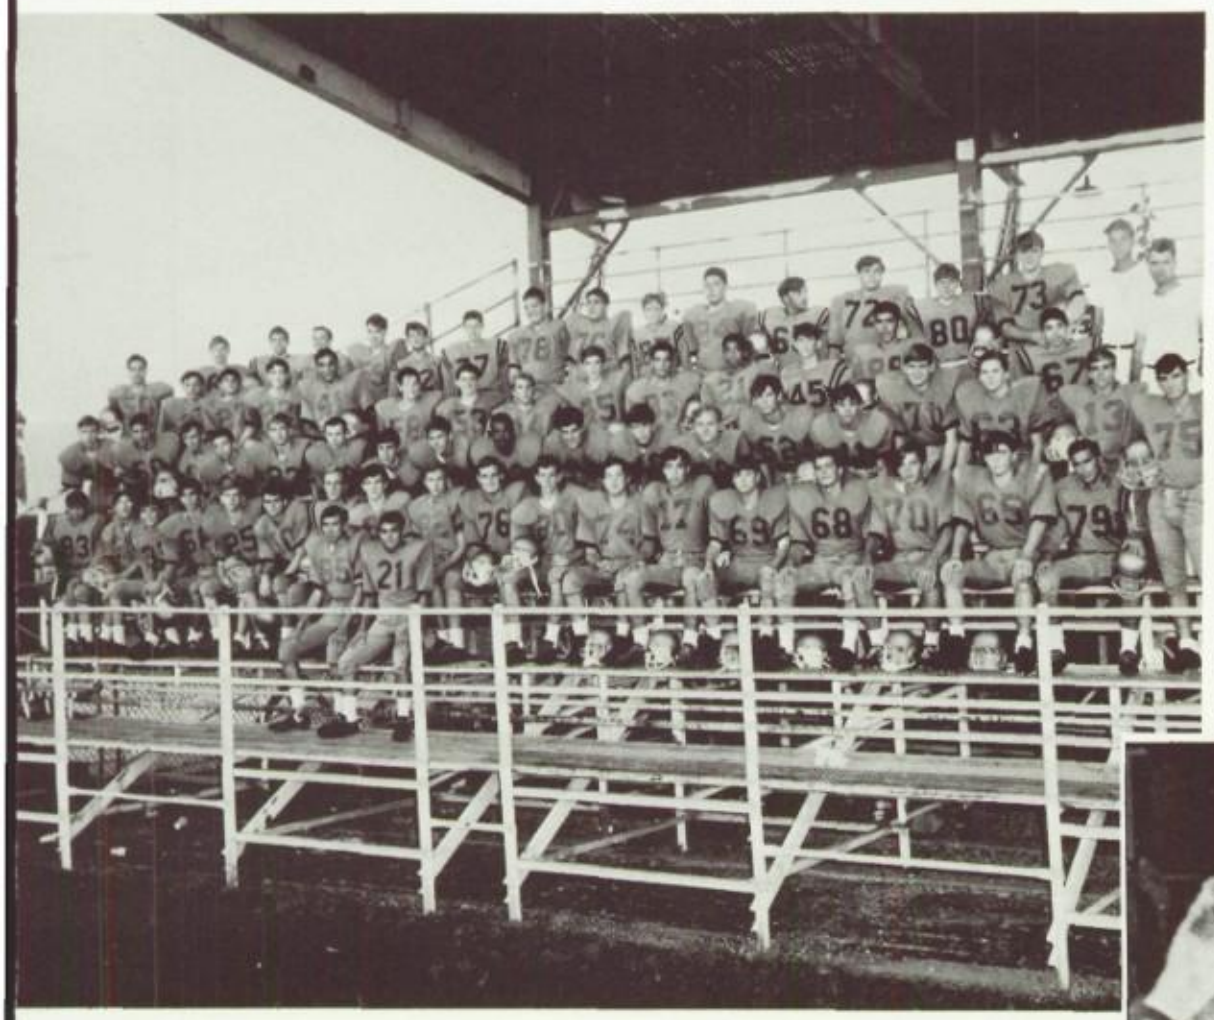
IN FOOTBALL INTERESTS



The senior and junior girls proved that they could enjoy football as well as the boys in the Powder Puff Football Game. The feeling of unity between the boys and girls throughout the practices and actual game was something that all were proud of. Boys volunteered to act as managers and waterboys, and of course coaches and cheerleaders, just as the girls volunteered to play and fix the floats for the parade. The whole atmosphere around the game was one of happiness because of the fact that the girls could participate and show a real interest in one of the boys' favorite interests.

Some people try to get a little sleep, but it is often next to impossible.

THOSE COAST TO COAST TRAIN TRIPS

A coast to coast trip for interscholastic games for high school teams and students is something to CHS. Here on the Isthmus, however, the trip only takes an hour and a half on the Panama Railroad. There is an approximate average of 400 students who sign up for each train trip. The trip is sponsored and organized by the S.A. This special program is now in its third year. Prior to this, coaches were assigned to students by the Assistant Principal; now students are allowed to choose a coach to ride so that they may be with their friends. The coaches are designated by colors. Even after a long, hard day at school, the train is full of exuberance and cheering with "Tiger Spirit".

CHS and BHS Cheerleaders get together during half time.

S.A. PRESIDENT, STEVE GEGG, RINGS THE VICTORY BELL

The Victory Bell is one of the traditions of Cristobal. It is to ring whenever the Tigers win an interscholastic game or a seasonal championship. It is also rung when Cristobal wins a special activity, such as the T.V. quiz program for Engineer's Week. The bell is located in the corridor outside the school main office.

When Cristobal High School was located in New Cristobal, this bell was the simple school bell ringing in the morning, at lunchtime, and in the afternoon. Then when the high school was moved to Coco Solo, nothing was to be taken from the old building, but the bell had been sent out for repairs. When it was completed the school had been moved, so it was returned to the new location. It is the only thing we have from the original Cristobal High School.

It was not until later that the bell became so important to the students at CHS; it was just kept safely away. In 1963, the senior class donated the mounting which the bell now sits on. It was built and the bell was mounted by Mr. Henry Carpenter.

The clapper for the Victory Bell is always kept in a vault in the school office to make sure that it is only rung on the special occasions which call for it.

Queen Dale I reigning over the Coronation Ball.

Carnival is an important celebration for the people of Panama before the beginning of Lent. The Canal Zone always joins in with the people to help celebrate, and to help bring a feeling of unity between the two peoples.

Each year, the Canal Zone elects a Carnival Queen according to the amount of votes she obtains by selling them. This year, ten girls ran; eight of them were from CHS. These girls joined in all the Carnival activities. At a third vote dance, the queen and her court are announced. This year, the queen and five of the princesses were from Cristobal. The queen was Dale Scott. She reigned over all the Canal Zone Carnival activities. The princesses in her court were: Maria Arocho, Sue Holloway, Linda Hood, Betty Link, and Aida Padilla. Queen Dale's escorts were Doug Jones and Frank Tortorici. Because of the fun and closeness with the people in Panama, a sure feeling of unity must have been obtained among all those involved.

Joey Oberholtzer, along with Bodie Swain, and Stan Janasiewicz were the Queen's Trumpeteers at the Coronation Ball.

Mr. Bock can really dance!

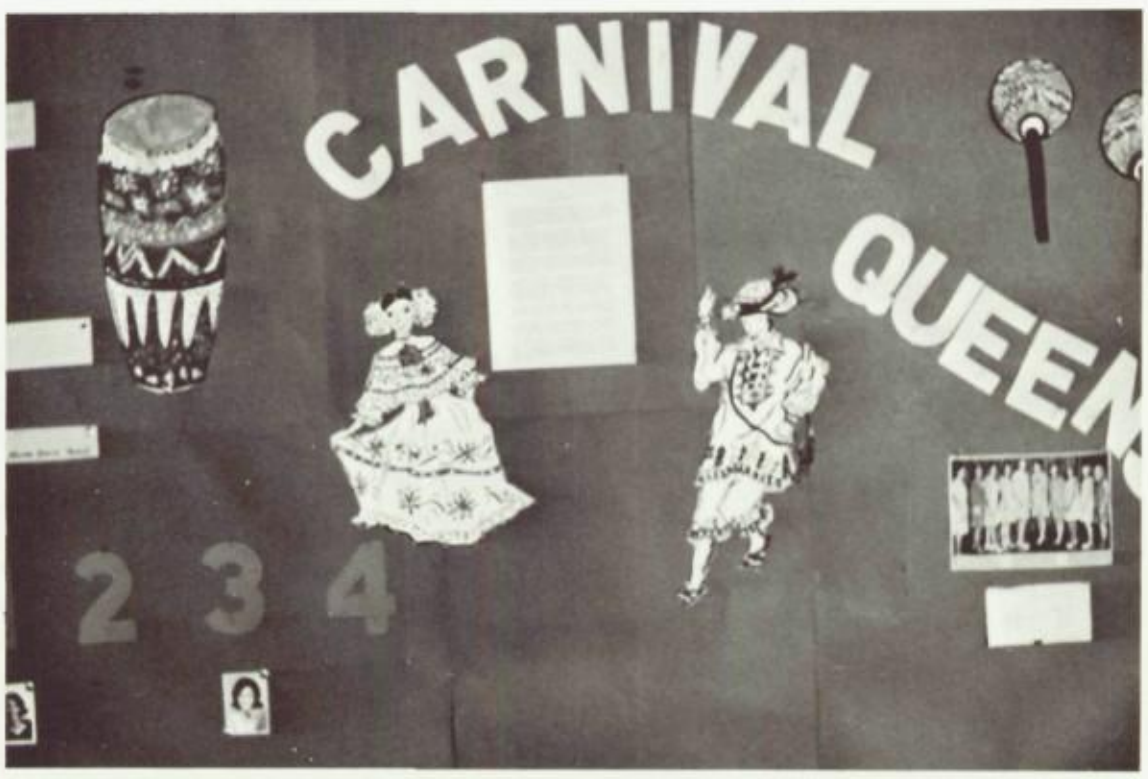
CARNIVAL CREATES UNITY BETWEEN THE CANAL ZONE AND PANAMA



The S.A. joined in the Carnival spirit by putting up a Panamanian display and the queen candidates' pictures.

CRISTOBAL CITIZENS OF CARIBBEAN GIRLS STATE

Seated, l. to r.: Judy Oberholtzer, governor; Dale Scott, lieutenant governor. *Front row, l. to r.:* Linda Hood, Sherrie Weber, Denise Coleman, Denise Rainier, Barbara Geddes, Susan Sawyer, Louise Hixon, Ann Parker. *Back row, l. to r.:* Mary Webster, Chris Baas, Rosie Butler, Sharon Bush, Pat Waggoner, Peggy Hale, Marcela Hilzinger, Sylvia Smith, Liz Kresch.

Each year, the junior girls on the Canal Zone look forward to attending Girls State. This consists of a week in which the girls are exposed to Government as it exists in the United States. Each girl becomes aware of her duty as a citizen of a Democracy.

The session moves at a quick pace presenting each level of government and letting the girls actually live it. The first level is that of the city; bills are presented that would naturally be presented on that level. Next, the girls practice legislation on the state level.

At each level, the officers are elected by the citizens. At the final election, the officers of the state were elected. The governor was Judy Oberholtzer, (Cristobal); the lieutenant governor was Dale Scott, (Cristobal); the secretary of state was Vicki Barnes, (Balboa); and attorney general was Becky Falls, (Balboa).

On the last night of this exciting week, the inauguration of officers takes place. The girls who are to go on and study Government on the national level are named this night. These girls are to be their state's senator to the session in Washington, D.C. Two girls were named: Carol Conyne and Judy Oberholtzer, both from Cristobal. Three girls were named as alternates: Vicki Barnes and Carol Adair, from Balboa and Dale Scott from Cristobal.

The graduation ceremony is very solemn and touching. The lights are put out and each girl files out after lighting a candle from the governor's or the lieutenant governor's candle. The girls all sing the song "America, America" as they leave.

The Caribbean Girls State is held during Easter vacation. It is sponsored by the American Legion Auxiliary.

24 HOUR SERVICE

A touch of elegance

. . . from Kodak

The stylish, new *Kodak Instamatic*® S-10 Camera goes in pocket or purse with hardly a bulge. Camera front and shutter release retract into the vinyl-textured, chrome-accented body for extra compactness.

Simply drop in a film cartridge, advance the film, aim through the bright-image, projected-frame viewfinder, and press the shutter release. You've snapped the picture! Indoors, pop on a flashcube and take four flash pictures without changing bulbs.

A more versatile model of this camera (the S-20) features a fast *f*/5.6 lens and automatic exposure control, giving you more picture-taking capability.

Both smartly styled, compact cameras come in color outfits complete with *Kodacolor* film cartridge, batteries and flashcube. There's nothing extra to buy. Ask to see them . . . at Kodak Dealers where you see this sign.

FRUSTRATED, HARD-WORKING STAFF RUSHES TO MEET FINAL DEADLINE

EDITORS: Judy Oberholtzer and Susan Sawyer.

The 1967-68 school year is over. Another *Caribbean* has been produced, only one of many before and many more to come later. This year's staff has attempted to produce a book which will contain a complete resume of the events and activities of the past year. We hope we have succeeded.

Looking back, the beginning seems not so far away and the end seems to have come so suddenly. The school year has been a prosperous one for all of us. If we feel we have not gained in knowledge, we have only to realize that such a year of meeting, speaking, and understanding has passed us, and we must realize that such a year cannot but give knowledge to the individual who lives it.

The *Caribbean* staff would like to express its sincerest thanks to all the advertisers for their help in its publication. The editors would like to thank their advisor, Miss Siebrands, and all the members of the staff for their long and diligent hours of work. Also, thanks to all those who have worked behind the scenes or helped in any way.

We hope that you will realize the importance of keeping the idea of "Unity", which we have tried to express, foremost in whatever you do.

To those remaining we say, "Good luck in the years to come, especially those at CHS". To the graduating seniors, we can only say, "Good bye, and remember your friends and Alma Mater with appreciation for all the benefits they have given you". To Cristobal High School we would like to say, "Thank you".

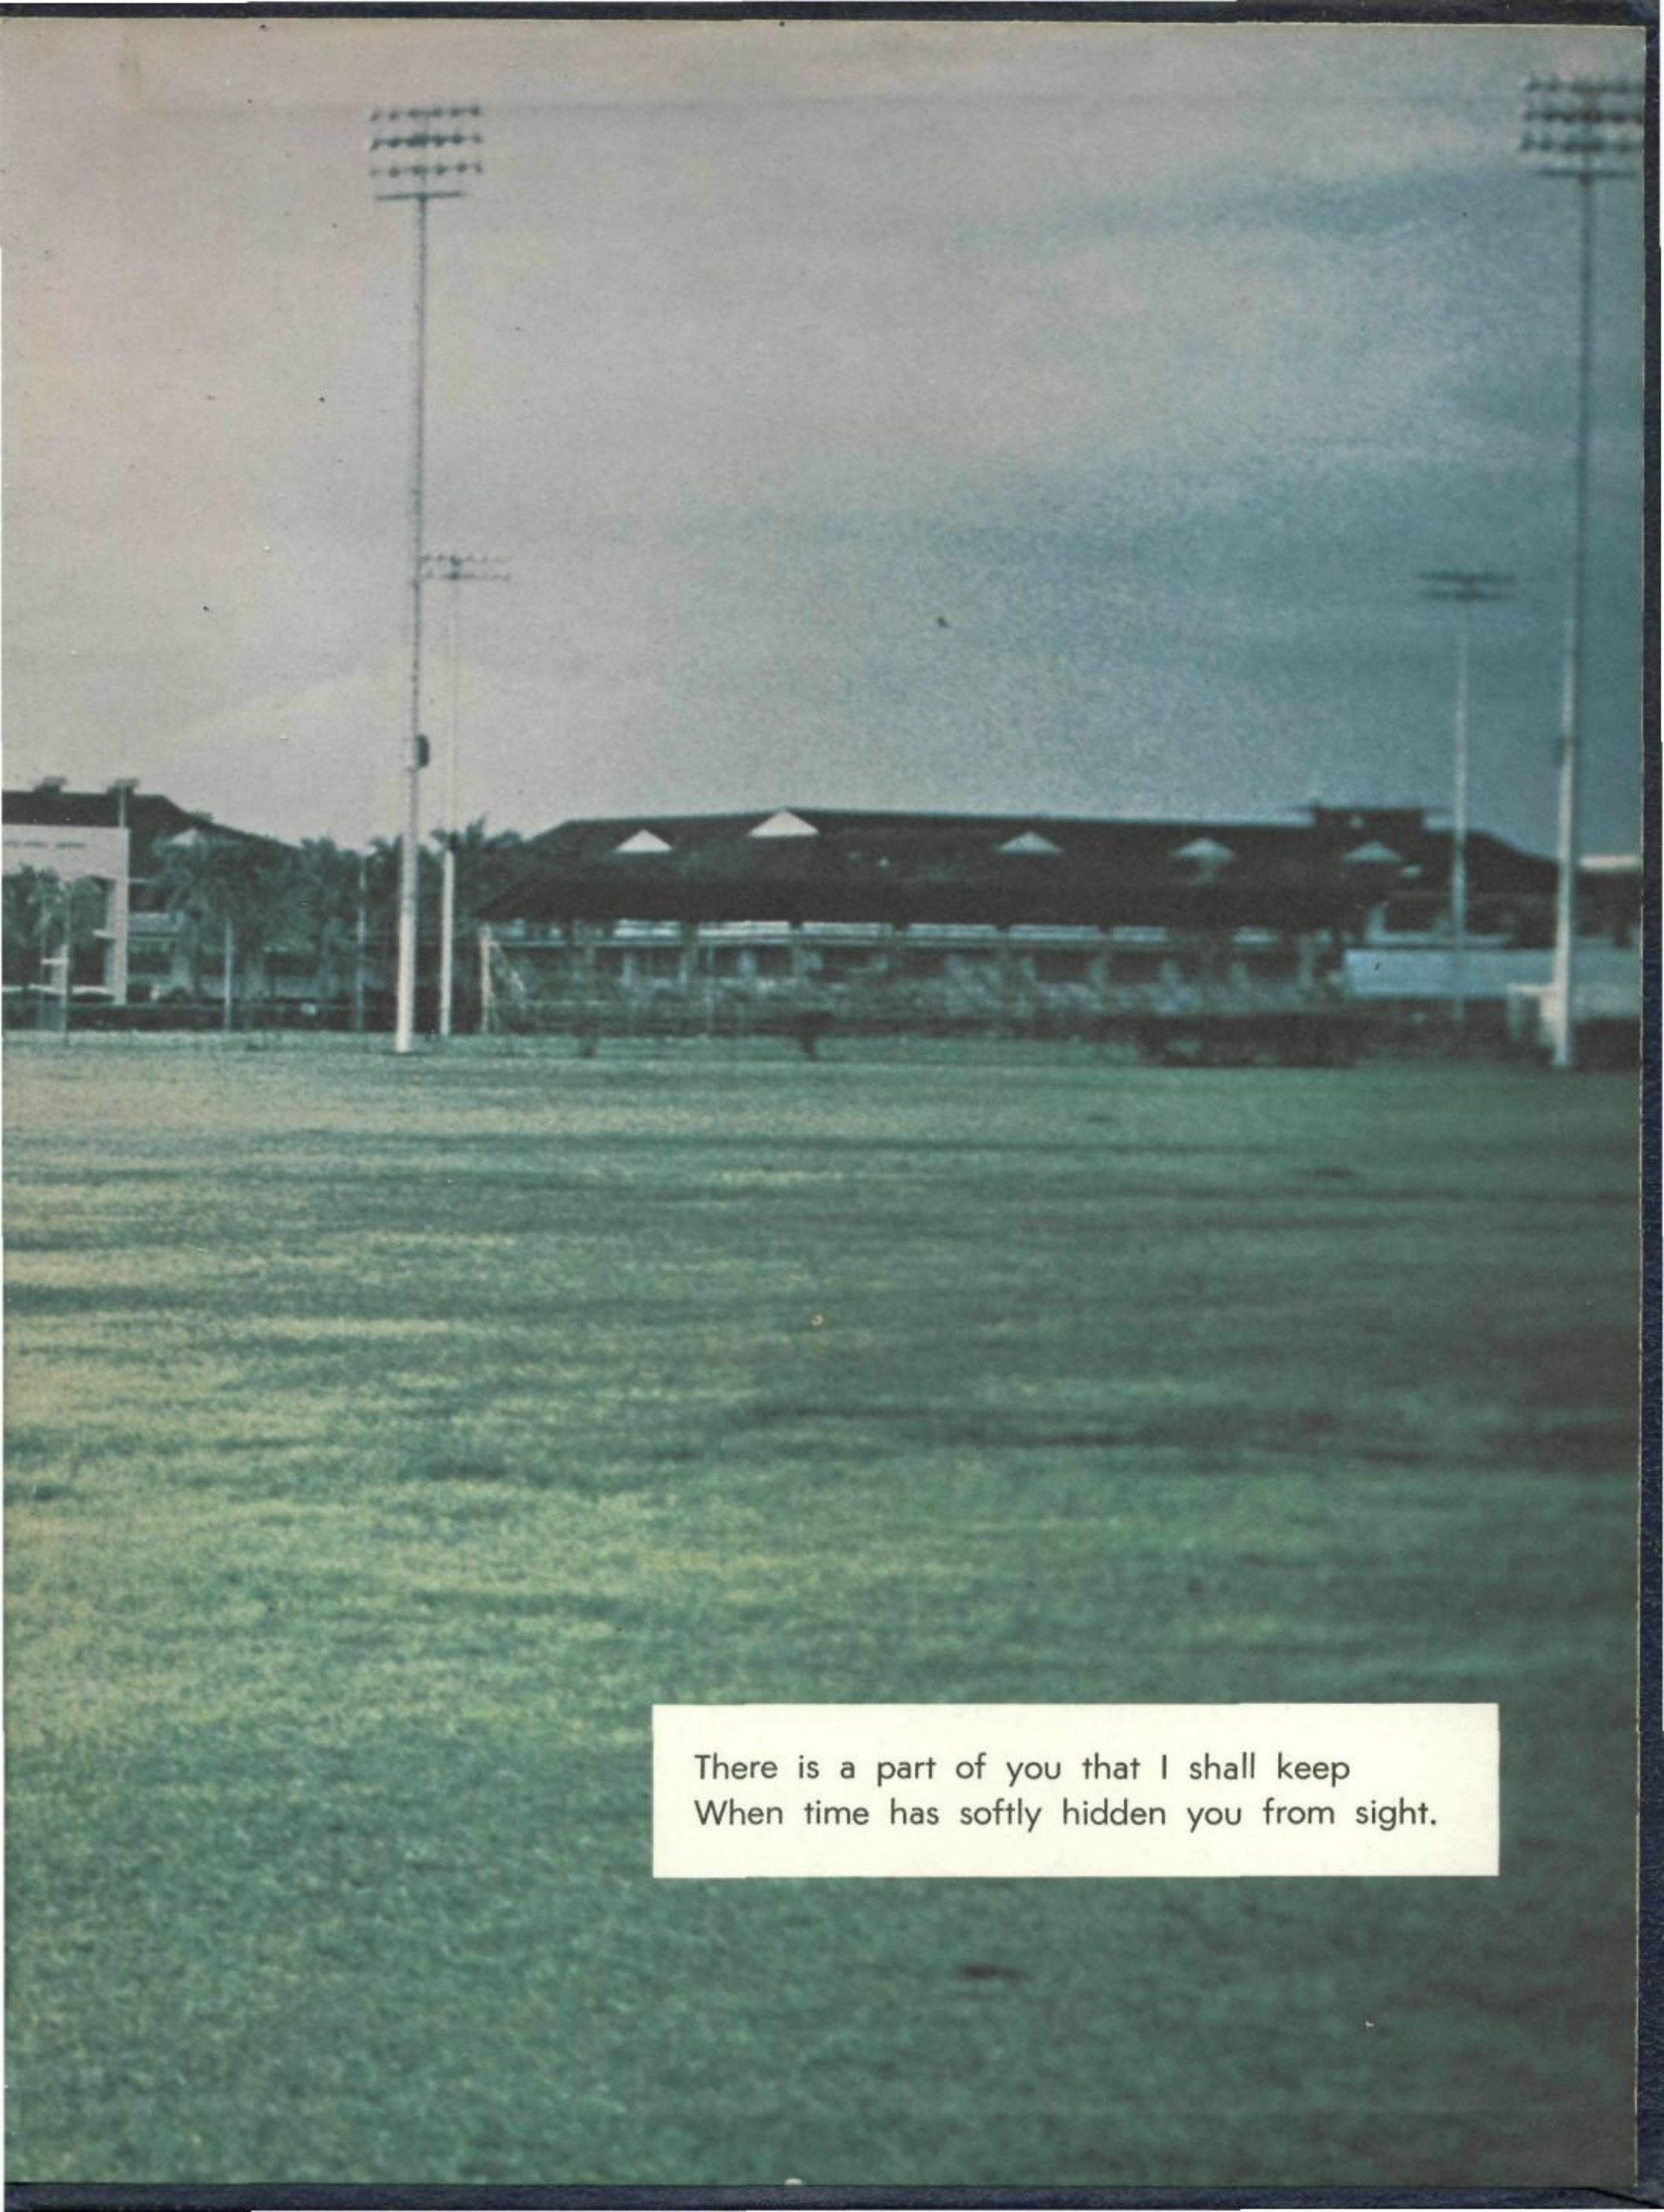
TIGER SPIRIT, bold and true,
Long live gold, and long live blue—
Never falter, never fail,
CHS—to you we hail.

We're leaving now, in soul, not heart,
The time has come when we must part.
We'll face the world and find our fate—
We are the Class of '68.



There is a part of you that I shall keep
When time has softly hidden you from sight.
